CUSHMAN PARK.

One of the delightful places these hot summer days is the new park opened by the most wide awake man in the west, Mr. E. H. Andrus.

It is situated in a beautiful spot, and is located directly west of the center of the city three and a half miles and only a short drive from the suburbs.

caused by the caving in of the wall. Five persons were imprisoned in the wall, and no means were at hand to rescue them.

It is a Curious Fact That the body is now more susceptible to benefit from medicine than at any season.

A handsome mechanical clock which has attracted much attention to a New York window exposure is a perfect miniature locomotive, although to the majority of the passers by, familiar with the American engines, it looks slightly strange because it is of the French type.

It is as plain as a pike staff that any article of pastry or food flavored with adulterated flavoring cannot possess the wholesomeness or agreeable flavor of one in which a strictly pure Fruit Extract like one of Van Duzer's has been used.

A winter in Southern Europe, as planned and managed by Dr. Topp, is a very ideal trip, where, added to the pleasure and profit of leisure of traveling in a climate more congenial than that of the finest winter resorts in America.

Two New York sisters make a good living for themselves by going about among the belles of the city and assisting them to dress upon special occasions.

Of quaintly carved German nut wood is the case of a clock which, besides telling time in chimes, hours, halves or quarters at the pleasure of its owner.

How to Select a Wife.

Good health, good morals, good sense and good temper are the four essentials for a good wife. These are the indispensable. After them come the minor advantages of good looks, accomplishments, family position, etc.

In solid brass the designs for clock cases are numerous, and of a work somewhat urn shaped, or bearing shields, or coats of arms supported by a pair of lions, are much admired.

Francis Lambert, a blind beggar of Chicago, recently brought suit against his son-in-law for \$1,700, loaned him, and has been awarded \$1,910 of his claim.

The ORIGINAL ABETINE OINTMENT is only put up in large two ounce tin boxes, and is an absolute cure for old sores, burrs, wounds, chapped hands, and all skin eruptions.

A sparrow has built a nest on one of the trucks of an eastern railway coach and makes daily trips from Binghamton to Syracuse and return.

Defective teeth poison the food. ZODONT checks dental decay, removes tartar incrustations in the sinuses and upon the surface of the teeth, and renders them healthful masticators of the food.

It is said that Donnelly's cryptogram is not selling well in England. The Englishmen look on the book as a sample of American humor; and as a rule they cannot appreciate American humor.

Life is burdensome, alike to the sufferer and all around him, while dyspepsia and its attending evils hold sway. Complaints of this nature can be speedily cured by taking Prickly Ash Bitters regularly.

Salmon or other canned goods should not be allowed to remain in the can in hot weather after they have been opened. A prominent dealer says that he never knew bad results to occur from sound stuff when the contents of cans were at once transferred to earthen vessels.
