The republican colored club will hold a meeting at the republican headquarters Friday evening.

Several "blame" games were running yesterday. They were allowed to occupy the most prominent street corners, and found no end of suckers.

The police station was a sleepy place yesterday. The people had crowded to the driving park and to Manawa for the principal street races.

The funeral of J. S. McGrew, the Burlington & Missouri switchman, who was killed in Omaha Monday night, will take place at 10:30 o'clock this morning from the residence of his parents, corner of Fourth and North streets, in this city.

Some complaint is made that the motors do not give loud enough signals in approaching street crossings.

There is much discussion as to whether cypress blocks are better or worse than cedar blocks for paving.

As R. P. Officer was going along one of the residence streets in the Fourth ward Tuesday evening two suspicious fellows stepped out of an alley and came towards him, separating one on each side as they advanced.

The Nation's Holiday.

The observance of the Fourth of July at Council Bluffs demonstrated that patriotism and respect for American institutions, while not always apparent, is latent in every heart, and needs only the occasion to make it manifest.

The carrying facilities of the motor line were hardly adequate to the demands placed upon it.

The high jump contest, which attracted a large crowd, was constantly in service plying from port to port; cooling breezes were borne from the bosom of the waters; Manawa hotel, with its summer resort, was the scene of a merry and invited the heated seeker after pleasure.

There was such a crowd wanting to go to Manawa yesterday that the capacity of the motor line was not sufficient to accommodate all.

As R. P. Officer was going along one of the residence streets in the Fourth ward Tuesday evening two suspicious fellows stepped out of an alley and came towards him, separating one on each side as they advanced.
