THE WAY WE DO IT. No cut or mark down by any house can approach our prices, simply for the reason our prices are made right to begin with. We don't start the season with 100 per cent profit, reduce to 50 per cent later on, and at the close mark down to a profit of 25 per cent; this is not our way.—WE START RIGHT AT FIRST; that's what sells our Clothing. The prices are always the lowest at the beginning and the end of season alike.
