Omaha 20, Sioux City 5.

Everybody has been crying to see the Omaha do some hitting. Well, everybody should have been out to the park yesterday afternoon and witnessed them paralyze Mr. Wells, Sioux City's crack rotator.

It was one of the grandest slugging exhibitions within the memory of the oldest inhabitant—bang! crack! smash! from the beginning to the close. This occurred until the end of the sixth inning, when Umpire Hagan, of commiseration for the players, called the game.

The curiosity to see the new club, with Bader and Gennin, attracted a rather sizeable crowd, and they all got the fullest worth of their money.

White Gennin failed to distinguish himself, other than by making three blunders at third. Bader wrapped himself in a blanket of glory by his daring base running and a pretty well timed steal.

GETTING INTO DEEP WATER.

A New Turn of Affairs in the Moore-Norton Case.

THE PRINCIPALS SURPRISED.

They Are Arrested on a Warrant Charging Them With an Exceedingly Grave Offense—The Latest Developments.

The Moore-Norton Case.

TOWNEA, Kan., July 12.—(Special Telegram to THE BEE.)—Shortly before noon today Constable Daves served a warrant issued from Justice Scareless court on complaint of County Attorney Curtis, charging Mrs. John W. Norton with violation of the laws of Kansas on two counts. The warrant was made out for both Moore and Mrs. Norton, but as Moore was already in custody it was only served on the woman.

Mrs. Norton was at once taken under custody in room 42, just opposite Moore's room, with an officer guarding her.

Moore became very much enraged at the new turn of affairs, and said that "they" (meaning himself and Mrs. Norton) were getting in deeper and deeper.

This morning, a little before the time set for the hearing of the habeas corpus proceedings by Judge Guthrie, Moore appeared in court, accompanied by his attorney and Attorney General Taylor, representing the state of Missouri and Kansas.
