Omaha 4, Milwaukee 1.

MILWAUKEE, Wis., August 21.—[Special Telegram to The Bee.]—Milwaukee should have shut out to-day and the game would have resulted that way but for a bunching of errors by the visitors in the last inning. The Omahas won by harder hitting, three of their hits being doubles. The home men were unable to hit Clarke safely and most of them died at first base. The fielding of both teams was very ragged. Omaha scored in the second inning on O'Connell's two bagger, Cooney's single and a sacrifice by McGarry. Wilson scored again for the visitors on a hit, two wild pitches and Strauss' miff. The visitors made two more runs in the eighth on a hit and steal by Burns. Anis' base on balls and steal, O'Connell's two bagger and a wild throw by Haves. Burns' miff, Cooney's fumble and Wilson's wild throw gave the locals their first and only run in the ninth. The score:

St. Paul 7, Sioux City 2.

ST. PAUL, August 15.—[Special Telegram to The Bee.]—The home team took the Corn Batters into camp again to-day. Siebel proved easy to hit in the first three innings and the home team batted out five earned runs. After the third inning Siebel settled down and allowed the home batsmen but three safe hits. The visitors had got but three hits off Sowers up to the eighth inning, when two singles, a wild pitch and a sacrifice gave them their first run. In the ninth Phelan went first on Reilly's error and second on Veach's error. Veach remaining on first in preference to scoring. The work of Phelan in this series of games has been equalled by no second baseman in any game of the season. Moolic was injured in the third inning by having a portion of his mask jammed into his forehead, and retired. The score:

The Minneapolis Franchise.

MINNEAPOLIS, August 21.—[Special Telegram to The Bee.]—At the meeting of the directors of the Western association yesterday it was stated that there were a number of gentlemen in Minneapolis who wanted the franchise, and who were willing to put money into a club. The disposal of the franchise was left with President Morton and Mr. Thompson. This morning the representatives of the association conferred with the Minneapolis men who were supposed to be ball enthusiasts. Of the half dozen who had said they wanted to put money into a club only two were willing to put up when asked if they would adhere to their promises. These were Frederick A. Leland and P. C. Kalkhoff. The whole morning was spent in calling upon those who were interested in baseball, but it was of no avail, and Mr. Leland told Mr. Morton that he thought it was of little use to look further. Evidently baseball is not wanted in Minneapolis now, and the franchise will go without a bid in order to give the town a chance for ball games. Mr. Morton and Mr. Thompson promised to defer their decision until to-morrow.

Kansas City 5, Chicago 2.

CHICAGO, August 18.—[Special Telegram to The Bee.]—The Cowboys took the third game of the series from the Maroons yesterday afternoon in a game that was not very creditable to either side. About 500 people were in the game. The pitchers were so far apart that neither side earned a run. Errors in the sixth and seventh innings account for the runs. Reynolds broke his finger in the eighth and Lange took his place behind the bat. Manning then covered third base and Conway went into center field. The score:

Kansas City, 0, 0, 0, 0, 1, 4, 0, 5. Maroons, 0, 0, 0, 0, 2, 0, 0, 2. Base hits—Kansas City 4, Maroons 4. Errors—Kansas City 5, Maroons 3. Pitchers—Swartz and Keagan. Empire—Fessenden.

TURF EVENTS.

Opening Day of the Northwestern Breeders' Trotting Meeting.

CHICAGO, August 21.—The opening day of the Northwestern Breeders' association trotting meeting was a cold one for those who attended. The racing, barring many false starts, was all that could be asked for by any lover of trotting horses. The fields in all cases were especially fine, and though no records were threatened, the time made was fast. The track was very fast and very dusty. The first event was the 2:34 class for a purse of \$1,500, mile heats, best three in five. The latest began to plume on Brown, and as results showed, they took no money, the son of Combat failing to take a single heat. The pools opened to the tune of \$25 on Brown against \$7 for the field. Before the third and deciding heat was trotted Brown was still the favorite at the same price, while the field had gone up to \$23. Brown surpassed all by winning three straight heats. Summary:

Prize: Brown, 1, 1, 1. Ben Wagon, 3, 3, 2. Annie Sprague, 3, 3, 2. Ottawa Maid, 3, 0, 8. Gledalia, 3, 0, 8. Spectator, 3, 0, 8. Lady Mae, 3, 0, 8. Lay White, 3, 0, 8. The second race was just as much of a sur-

Arrangements Completed for the Salt Lake Regatta.

CHICAGO, August 21.—Mr. L. B. Glover, of the Farragut Boat club, has completed arrangements for the coming two days' regatta at Salt Lake, Utah. Twenty of the best oarsmen from the best clubs in the Mississippi Valley Rowing association have been selected. They represent the Farraguts and Delawares, of Chicago; Modocs, of St. Louis; Sykes of Moline, Ill.; Leones, of Minneapolis; and Owashanongs, of Grand Rapids, Mich. They will leave on Friday afternoon, and will take fourteen shells with their crews, and will make double and single races each day. The oarsmen are curious to know how the buoyant qualities of the extremely salt water will affect their shells in comparison with fresh water. The people of Salt Lake are making great preparations for the event, and arrangements have been made for the running of excursion trains from points in Utah, Wyoming, Nevada and Colorado.

During a heavy rainstorm Mr. Rainsford attempted to round up and drive to shelter a herd of twenty-three valuable horses. A flash of lightning struck the herd, killing 19 horses, and doing damage to the remainder. The broodmare was valued at \$5,000. Mr. Rainsford was thrown from his horse by the shock and did not regain consciousness for five hours. He is now recovering, but he and his spurs twisted by the lightning.

American Politics in Paris.

PARIS, August 21.—[New York Herald Cable—Special to The Bee.]—Republicans will not regard a conversation that was held yesterday in the court yard of the Hotel Chateaux as a hopeful sign for Harrison's success, but the Herald reporter, who acted as cross-examiner on the occasion, not taking any side in regard to the subject discussed, concluded that the democrats are unquestionably quite confident of victory in November. The two speakers were Judge Van Brunt of the supreme court and Commissioner Von Glahn of New York city. As these gentlemen are on the same political side, there were no fierce arguments, but their remarks were none the less interesting. The judge began by saying that his judicial position prevented him from expressing any opinion, etc. Then he related a little, and in clear, forcible language went on to demonstrate why the democrats are dead sure to win next fall.

TOPEKA, Kan., August 21.—[Special Telegram to The Bee.]—The Lucie Baker was arrested to-day for the murder of Robert McGee, committed four years ago. Baker and McGee were employed in Osgood county. He made a visit to his parents in this city yesterday, and was promptly arrested. He admits that he committed the murder.

KEARNEY LOT SALE

Monday, Aug. 27, 1888

Kearney, the "Minneapolis of Nebraska," so-called on account of its unrivaled Water Power, is now coming to the front as a railroad center. The bonds for the Santa Fe have been voted, insuring us the greatest and best road in the world. The Missouri Pacific will soon complete the remaining 23 miles, and the branch up Wood River will be ironed this season. These new roads, together with the packing and canning plants now started, will give us a greater boom than any other city in the west. Kearney only needs some wholesale houses to give the supremacy between Omaha and Denver. For the purpose of building a large jobbing house on the block south of the Midway Hotel, I will sell at auction on Monday, August 27th, 1888:

5 BUSINESS LOTS

East of the Midway, now used for a lumber yard. This is the best corner for sale in the city, and will soon be the center of business of 50,000 people, and will be worth 10 times its present cost. I will also offer:

80 RESIDENCE LOTS.

Known as Swetz's Sub-Division, being only 7 blocks east of the main street, and 2 blocks from the street car line. This is the last opportunity to get good inside property in Kearney at your own price. The tract lies as beautifully as the Garden of Eden, and is a half nearer business than any other tract now on the market. For First Class Residence Property it is entirely free from the objection that can be mentioned about other parts of the city. By investing a few dollars to make your first payment, you can soon double your money, and at the same time assist in starting the jobbing house above referred to. Parties commencing dwellings of the value of \$200 and upwards on these lots within 30 days after the sale will be entitled to a donation of five per cent of the value of the same in dry goods, groceries or clothing at my store.

TERMS OF SALE—One-fourth cash, balance in payments every three months, or five per cent. Discount on deferred payments for cash.

FOR OLD PEOPLE!

In old people the nervous system is weakened, and that must be strengthened. One of the most prominent medical writers of the day, in speaking of the prevalence of rheumatism, neuralgia, and other ailments which afflict old people, says: "The various pains, rheumatism or other ailments which afflict old people, are the result of disordered nerves." There is in a nut shell—the medicine for old people must be a nerve tonic. Old people are beset with constipation, flatulency, drowsiness, diarrhoea, indigestion, rheumatism, neuralgia, these diseases are of nervous origin. Pain's Celery Compound, that great nerve tonic, is almost a specific in these disorders, and by its regulating influence on the liver, bowels, and kidneys, removes the disorders peculiar to old age. Old people find it stimulating to the vital powers, productive of appetite, and a promoter of digestion.

Sold by druggists, \$1.00. Six for \$5.00. Send for eight page paper, with many testimonials from nervous, debilitated, and aged people, who bless Pain's Celery Compound.
