BOYS' SCHOOL SUITS.

We are showing a larger stock of Boys' and Children's Clothing than all our competitors combined, and feel satisfied that we can "lead the trade" in this department of our business.

Clothing never was as cheap as it is now, and never did we mark our goods with such a small profit as we did this season. The larger the business we do the cheaper we can afford to sell.

We will inaugurate the fall season with a grand Boys' Clothing Sale, and as at the opening of schools, boys' clothing are mostly in demand, we propose to make the coming week the most memorable one in our boys department.

Here are only a few of the bargains which we offer this week: Two-piece Children's Suit, size 4 to 13, at \$1.00. We cannot describe this suit, but we ask you to come and see it.

Two-piece Children's Suits of good cotton mixed Cassimere, heavy weight, nice patterns and well made, at \$1.60.

But the greatest of all bargains is the Knee Pants Suit we are offering this season at \$2.50. This is a suit we are proud to show. To call the material "all wool" would not mean much, as we have sold all wool suits at that price before, but we can truthfully say we never offered SUCH a suit for the money.

We are equally well prepared to fit larger boys from 12 to 18, and prices are made just the way the Nebraska Clothing Company does business---GIVING GREATEST VALUE FOR LEAST MONEY.

STRICTLY ONE PRICE.
