St. Louis City 5, Omaha 3.

St. Louis City, Sept. 19.—(Special Telegram to The Bee.)—The St. Louis City and Omaha clubs played a magnificent game today. The fielding on both sides was good. In the ninth inning Lovett made the most brilliant catch ever seen on this field, running 150 feet and fighting in his right hand Brozman's liner to right center. In that inning, which was the decisive one, Sibbel and Nichols hit for a base each, and scored on Sibbel's three bagger. Speed scored on Reclus's fly to Anna. Powell struck safe to center and then Brozman and Veach flew out to Lovett and Burns. Omaha made two protests. In the fourth inning Miller's hit bounded on the foot of the umpire behind the box. Sibbel caught the ball on the mound and passed it to first and Miller was declared out under protest. In the fifth inning McGarr struck safe but was called out at first by Fessenden. Burns gave to third on the play. McGarr's hit was a clean two-bagger, but the umpire ruled that he cut first base, failing to touch the bag. The score:

Kansas City 5, Des Moines 0.

Kansas City, Mo., Sept. 19.—(Special Telegram to The Bee.)—Superior playing all around by the Blues inflicted a shut out on the Des Moines team today. The batting of the visitors was a little heavier than that of the home team, but their fielding was bad. Swartzel was in great form and struck out ten men at critical periods of the game. The playing of Long at short continues to be the feature of all the games, and today he stopped three base hits. Hutchison pitched very well, but received poor support. Shafer marred the game by his continued and unreasonable kicking. The score:

Milwaukee 3, St. Paul 0.

Milwaukee, Sept. 19.—(Special Telegram to The Bee.)—Milwaukee and St. Paul played the first game of their last series today. Griffith and Myers were the opposing pitchers. Griffith pitched a good game, the visitors being unable to hit him safely, getting only three singles off him during the game. Fowders was hit safely nine times. The score:
