expiration of the present gas charter before granting another one. The reason given by the legal lights for this belief is that the exclusive franchise clause in the charter cannot be made to stick. Said one of the members of a well known firm: "Circumstances, of course, have a great deal to do with such cases, but it is generally understood that all legislation is against exclusive franchises, as they have a tendency to monopoly, by preventing healthy competition. If a company was induced to locate a plant or engage in business of some kind that would not pay at the present price of a lot is saved on each one of these lots."

Open Letter From a Citizen. The attention of Mr. Farmworth and other citizens on William avenue is called to the pile of torn up coal or cypress blocks at the crossing of Madison and Pierce streets. These blocks have been piled up for over a year and show decay on every one, and at such a rate that the paving from which they were taken cannot last more than two years longer, perhaps not that. These gentlemen will much regret hereafter, if they succeed in having the change made from brick to stone pavement, the loss of a heavy layer of brick pavement. The experiment should be made, that our people may know what pavement is the best. It is a great pity that the Wickham Bros. did not pave William avenue early in the season, that the test could have been made this year. We venture to predict, that if a brick pavement is laid and tested by three months' travel and use, that there never will be another street in Council Bluffs paved with brick.

A Free Ballot, and a Fair Count. The democratic primaries were held in the various wards last evening. In the second and fourth wards the fight was a warm one between the county clerk factions, and in the "blood fourth" especially, it was red hot. The box was filled to overflowing, as "stuffing" was the order of the evening, there being as many as fifteen ballots rolled up in wads when the votes were counted. The motto seemed to be "everything goes," and in the case of the voters, it was "nothing counts."
