OUR NEW ADDITION

Is being rapidly pushed to completion and we hope to open the same by the 15th inst. The changes and improvements which we are also making in the old store extend to every floor and department.

We have to apologize to our patrons for the present condition of our store, but it is unavoidable; we are not only crowded with goods but crowded with buyers at all times, and customers may find it a little inconvenient but they will find themselves amply repaid by the low prices we are making throughout our entire stock and the many bargains we are offering.

Our stock of Overcoats is enormous and the change in the weather has created quite a demand for them. We have everything imaginable, or at least desirable, and among our stock will be found many lots which are marked in price far below their intrinsic value.

The Mens' Suit stock is the heaviest ever shown and its variety warrants the assertion that whoever buys a Winter Suit without at least looking here, fails to consult his own interest. There is not an establishment in the west that offers the selection or names the prices we do.

Boys and Children are as amply provided for we still have some of the special bargain Knee Pant Suits at \$2.50 a suit, which would be cheap at \$5.00. We want every mother to look at this suit. In long Pant Suits and Boys' and children's Overcoats we offer great inducements.

Underwear you can buy of us at lower prices than the regular retailers pay for them. Gloves, Hosiery, Neckwear and all other Mens' furnishings at lowest possible prices. Hats are almost given away, at least you would think so if you look at the constant rush in our Hat Department.
