a meeting at the court house next Mon-
day evening for the purpose of organiz-
ing a club.

John Points, a Chicago & North-west-
ern brakeman, residing in this city,
had two fingers severely mashed while
coupling cars. Dr. Green attended him.

Marriage licenses were issued yester-
day to Charles W. Penn, of Shelby, and
Miss Elizabeth Hughes of this county,
and A. P. Stennett and Miss Anna L.
Fatten, both of this county.

All children who are to ride in the
canoe in the parade this evening are re-
quested to be at republican headquarters
not later than 6:30 o'clock. By
order of Colonel John Fox.

It is currently reported that C. E.
Mayne has leased the building next to
THE BEE office, lately occupied by the
defunct Herald company, and that he
will open a real estate office there.

Police fines were assessed yesterday
as follows: Moses Stross, drunk, \$5.00;
George Stanley, drunk and abusing his
family, \$7.00; Joseph Paro and G.
Brown, disturbing the peace, con-
tinued.

The heavy silver water pitchers, gold
lined and beautifully chased that are to
be given to the best lady and gentle-
man clubs participating in this even-
ing's parade, are on exhibition in the
windows of Eisman & Co.'s store, and
are attracting considerable attention.

Dr. Gillett, of Cincinnati, Ohio, the
superintendent of instruction of the
Chautauque assembly, will arrive in
the city today, and is expected to re-
turn to be present at a meeting at
the board of trade rooms at 9 o'clock
to-morrow morning, to make arrange-
ments for the programme of 1889, and
to consult in regard to the construction
of buildings and the plan of the grounds.

No business was transacted in the dis-
trict court yesterday, and adjourned
until this morning. Court will be
opened each morning and adjourned
from day to day until Monday, when
Judge Lowthorp is expected to return
and settle up several cases, after which
an adjournment for the term will be
taken. The November term convenes
on the 6th, with Judge Carson on the bench.

R. C. Hubbard roused the republicans
at Ferry creek Tuesday night by one of
his inimitable addresses. Judge Hub-
bard is doing most excellent work in
this campaign. He not only holds the
attention of his hearers, but arouses
enthusiasm by his forcible arguments,
vivid illustrations, well rounded per-
iods, and his vein of humor. He is
fast gaining the reputation of being one
of the most popular and effective
speakers of the campaign.

It has been reported that Messrs.
Walker and Sholes, former stockhold-
ers of the Weekly Herald printing com-
pany, had purchased the Weekly
Herald and would continue to publish
that paper as heretofore. Mr. W. R.
Vaughn, the present proprietor of the
Herald, was authority for the statement,
saying that he had sold the paper to
the parties above named. Yesterday
Mr. Walker denied it, saying that he
had heard nothing of such a deal, and
knew of no arrangements for continu-
ing the paper or of running a job office
in connection with it. No move has
yet been made to open another office
here, but it is possible that some such
move will be made when the affairs of
the defunct Herald printing company are
finally settled.

We do not intend to induce any except
articles of merit, but we take pleasure in referring

pected that there will be about eight
thousand persons in line. Special trains
are to be run, the "Q" alone running
three times in three sections. Omaha

dred men. Large delegations are com-

the largest demonstration in this part of

an hour and a half to fire them off.

On decoration it was reported that Mr. Bix-
ley, chairman of the committee, was

reported and everything seems to be in
good shape for the demonstration.

The Motors on the Way.

Manager Evans, of the Omaha and
Council Bluffs bridge company, received
a letter yesterday morning from Pull-
man, Ill., stating that the majority of
the cars and motors for the new electric
motor line had been shipped and would
be here ready for use on the 29th inst.,
giving ample time for tests before the
formal opening on the 30th. Some of
the material will be shipped on the 25th
and the general freight agent of
the Rock Island has agreed to get it
through to Council Bluffs on the 26th.

It will be impossible to have all the
rolling stock here on the day, but
enough will be here to enable the man-
agement to furnish a ten-minute ser-
vice and do its part in caring for the
enormous crowds of visitors which will
be in the city on that day. A report
has been circulated by parties who have
been constantly and persistently work-
ing against the new bridge from its in-
ception that there would be no motor
cars here to run on the day of the open-
ing, but the report is utterly without
foundation, as cars will be run as above
stated. On and after next Tuesday
electric motor cars will be running over
the new bridge between this city and
Omaha.

Killed in a Sandbank.

About 4 o'clock yesterday afternoon
an accident occurred at the Big Lake
sand bank by which John Easing and a
pair of horses were instantly killed.

The unfortunate man was hauling sand,
and was caught before he knew the im-
mense mass of earth was falling. The
bank at that point is about one hundred
feet high, and the dirt fell with terrific
force. Hundreds of tons of earth came
down in the fall, burying the man ten
feet deep. The horses attached to the
dead man's wagon jumped in time to
clear themselves from the wagon,
and escaped uninjured, but a pair of
horses attached to a scraper were
caught and completely covered, with
the exception of their heads, which
were left sticking out of the dirt, and
still remain where they stood, present-
ing a strange and ghastly appearance.

The horses were instantly killed.
There were two witnesses to the sad af-
fair. They dug out the unfortunate
victim as quickly as possible, but he was
dead, having been killed by the great
force of the falling sand. The patrol wagon
was summoned, and he was taken to his
home, 717 Avenue G.

The deceased was about 50 years of
age and leaves a wife and two children.
No arrangements have yet been made
for the funeral.

Go to the Masonic temple and see the
babies—10 cents admits you.

On the 25th the W. C. A. ladies will
serve a dinner for 25 cents at the Pacific
