

EXQUISITE SOUVENIRS FREE.

SEE THEM IN OUR SHOW CASE.

For the past two or three years, we have been obliged each holiday season, to refuse a large amount of work which we could not possibly undertake to do, owing to the fact that so many wait to have their work done until the last week or two before Christmas, and as we knew it would be impossible to complete the work in time rather than disappoint our customers we had to refuse the work entirely. It should be remembered that to finish photographs in a superior manner, takes time. Now in order to avoid the above loss of business, we will make an extraordinary offer to those of our patrons who will have their sittings before December 1st.
