THE CHIEF ATTRACTION

for this week will be in our boys' department. Many of our patrons eagerly look forward to our special sales in this department, and we have decided to give them the coming week, a benefit greater than ever.

A few samples of the many bargains we offer are the following: 200 very neat Children's Overcoats with capes to match, at \$1.90.

200 excellent Chinchilla Overcoats with capes of same material at \$2.50. A beautiful line of Chinchilla Beaver and Astrachan Overcoats of handsome designs, and elegantly trimmed with plush and fur, at one-half their value.

In suits we offer to-day: 300 of our celebrated strictly all wool Children's Suits, sizes 4 to 12, elegantly made, at \$2.50; the regular price of these suits is everywhere \$5.00.

We have received and opened especially for this sale an immense line of Boys' Long and Knee Pants, among which we offer some decided bargains.

MEN'S PANTS. Our buyer having closed out the entire stock of a manufacturer of fine Pants, we have arranged the goods into several lots, and are enabled to offer them at one-half their regular retail price.

At the figures we marked them they will be found the biggest offering this season. 500 pair fine strictly all wool Cassimere Pants, heavy weight, at \$2.

800 pair elegant silk and wool pants at \$2.50. 400 pairs extra fine all worsted Pants, as good as any custom made, at \$3.75.

Extra long and reversed sizes for young men will be found among them. Comment on these Pants is unnecessary. We show some samples in our Douglas street window, but that will only give you the idea of how they look.

We want you to call into the store and examine the stuff they are made of. The cheapest of all these 3 lots we mention were never sold for less than \$4.00.

But while we devote the most space to clothing, we do not neglect our furnishing goods. Every department has been considerably enlarged since we have the new addition, and in every line we offer daily some new drives.

Just now we are having a big run in Gloves and Underwear. The prices we sell all these goods at are big attractions. Handling everything, as we do, in immense quantities, it is utterly impossible for other houses to offer goods at the prices we do.

Plain Figures and One Price. The Burlington takes the lead. It was in advance of all lines in developing Nebraska.

It was in advance of all lines in establishing dining-car service between Missouri river points and Chicago. It was in advance of all lines in giving the people of Omaha and the West a fast mail service.

It was in advance of all lines in running its trains from the East into Omaha proper. It was in advance of all lines in reducing the time of passenger trains between Omaha and Chicago.

It was in advance, and is the only line by which you can leave Omaha in the morning and arrive in Denver the evening of the same day.

It has been progressive in the past. It will lead in the future. Travel and ship via the Burlington.
