Death of Mrs. Julia Dodge. In the death of Mrs. Julia T. Dodge, widow of Sylvanus Dodge, mother of General G. M. Dodge and N. P. Dodge, Nebraska as well as western Iowa loses another of its early settlers.

Mrs. Dodge was born in Rowley, Mass., January 23, 1802, and was married to Sylvanus Dodge, November 22, 1827. They made their home in Danvers, Mass., of which town her husband was postmaster for many years until their removal to Omaha in 1845.

During the winter of 1855-6 they lived in a house which stood on the ground now occupied by the residence of Herman Koutze, in the south part of the city. At that time there were but three dwellings south of the creek, one occupied by Mr. Dodge's son, in the north part of the city, and one near the creek in which Mr. Gilmore lived.

Early in the spring of 1857 Mrs. Dodge removed with her husband and children to their farm on the Elkhorn river near Elk City, from which her husband and sons had been driven by the Indians the year previous. Here she remained a year or two, when she removed to Council Bluffs, which was her home up to a year ago, when she removed to the home of her only daughter, Mrs. J. B. Beard, in Mapleton, Ia. She was tenderly cared for during her last sickness, and her death occurred there Tuesday, December 11, at 1. a. m. Many of the older residents of Douglas and Dodge counties, Nebraska, will remember the hospitable home of Mr. and Mrs. Dodge in that district at the time of his death.

The remains will arrive in this city this evening at 6:30, via the Chicago, Rock Island & Pacific railroad. The funeral services will be held to-morrow, Thursday, at 11 o'clock a. m., at the home of Finley Burke, No. 705 South Sixth street.

Death of Mrs. Anna Jenson. Monday morning at 9 o'clock Mrs. Anna Jenson passed away from this life, at her home in Minneapolis, Minn., aged twenty-eight years, one month and four days. This announcement will bring a pang of grief to many hearts, for many readers of The Bee knew the deceased during her earlier life, when she was the second daughter of Dr. and Mrs. Thomas Jefferson. She was born and passed the years of her girlhood in Council Bluffs. Here she was educated, grew to woman's estate and married the man of her choice. About nine years ago she left the home of her childhood and gave the devotion of her life to the building up of a happy home in a distant state.

The death comes with crushing force, for it was entirely unexpected. The parents were notified of the illness of their daughter, and were preparing to go to her when the telegram announcing her death was received. The relatives residing in Council Bluffs are two sisters, Mrs. Finley Burke and Mrs. T. D. Butler. The parents reside in Omaha. Besides those who mourn are the husband and three children, the eldest being about five years of age. To their lips the cup is a bitter one indeed, and while they must drink it alone and feel the desolation which the death of a wife and mother brings to the heart and home, yet many hearts grieve with them, and a wealth of honest sympathy is theirs.

The remains will arrive in this city this evening at 6:30, via the Chicago, Rock Island & Pacific railroad. The funeral services will be held to-morrow, Thursday, at 11 o'clock a. m., at the home of Finley Burke, No. 705 South Sixth street.

or first of February, when about twenty operators will be employed, although the force will be increased during the summer to fully a hundred. The difficulty in regard to the Dierks property, in the southern part of the city, delayed the opening about six months, but the officers of the company declare that the enterprise has by no means fallen through. It is expected that the factory will be able to furnish a large part of the baskets used in local trade, and that it will have all of the business it can do. There are several obstacles yet to be overcome, and some of the opposing parties express grave doubts as to the successful carrying out of the proposed scheme.

The City Council at Work. The city council met last evening in special session. The mayor and full board of aldermen were present.

The judiciary committee reported that if the Union Pacific would reduce the passenger fare between Council Bluffs and Omaha to 10 cents or twenty-five tickets for \$1.50, the committee would be willing to have the train taken off. After debating the company was allowed to take the train off for ninety days.

John N. Baldwin, esq., desired the ordinance modifying the police regulations of the motor company called up. Committee of the whole reported adversely to the adoption of the ordinance, all voting no.

Sir Edwin Curran had a resolution ordering for a repeal of the present gas ordinance called up. Ordinance read. Aid. Knepher introduced a number of petitions for a large number of business men of the city for the same. Aid. Knepher moved that the prayer of the petitioners be granted. Amended by a motion that the petition be made a matter of record. Carried. Aid. Knepher moved to adopt the resolution. Mr. Baldwin stated, as a representative of the gas company, that the company did not deem it necessary to make any reply to the notice of the council to appear. Seconded by Aid. Lacy and Weaver. Adopted, all voting aye.

The matter of putting Commercial street from Angle street to the foot of the hill to grade, was discussed and a resolution ordering the same was adopted. This carries eighteen inches at the intersection of Angle and a fill of the same below that point.

The ordinance regarding the gas charter was read a second time and went over under the rules.

An ordinance granting to the Hawkeye Electric Light company, in a franchise for a twenty-year franchise to put a plant into this city, was read a first and second time and was referred to the judiciary committee as a matter of record.

The "Brush" ordinance followed the same course.

The mayor reported that the Edison company had a representative here and would submit bids and furnish a bond. Also that the Council Bluffs company desired an opportunity to come in as a competitor in the same matter.
