The Nixon Incident.

Through doing a kindness to a Mrs. Nixon, Clerk W. H. Moran, of the county commissioners, found his name in the papers, and he now wishes to state that he has withdrawn entirely from the case. He had engaged Mr. Ogden, at his own expense, to protect her in a case where he thought her furniture was about to be wrongfully taken away from her, but, after her denial in The Bee, has notified that gentleman that, so far as he is concerned, he has dropped the matter.

BEYOND COMPETITION.

Our special suit sale has created such a stir that we have decided to continue the same for another week, to give all an opportunity to take advantage of the remarkable bargains offered. Our immense sales last week was evidence that the public know that bargains advertised by us are well worth securing-

For our second week's sales, last week's values will be duplicated, and in some instances surpassed, as we have added to the special suits in place of the lots closed out.

Several lines of worsteds and cassimeres, much finer than those advertised before. We

give you a choice in sack and frock suits, made up in the most elegant manner, which

formerly sold at \$12.50, \$13.50, \$15 and \$16.50, all at \$9.75. And another line formerly selling at \$18, \$20 and \$22.50, now at \$13.50. This is not a mere reduction sale. Slaughter is the only way to express it, as even the former figures were very low for the gools.

In our Furnishing department, we are offering you a rare chance to buy everything in this line at nominal prices this month. Almost every dollar's worth of furnishing goods inventoried on January 1st, was taken in at a big reduction upon cost. We offer them now for what we have inventoried them. This means that you can buy furnishing goods far below what the goods could be bought for of the manufacturer and Importer and if you need Underwear, Hosiery, Shirts, Gloves, Suspenders, Neckwear or anything else in that line, you can make a bona fide saving of from twenty-five to fifty per cent by buying them of us this month.

Want an Auditor.

The county commissioners have not yet decided just what changes they will make in the present system of auditing county reports and accounts, and have countermanded the order to draft a bill containing the necessary legislation. They consider the appoint-ment of an auditor a necessity, and the office will probably be an appointive one.

Changing Troops.

A rumor has been in circulation for several days past to the effect that the Twentieth regiment, some companies of which are now located at Assinaboine, is to be removed to this city, to displace the Second. Some military gentlemen claimed there was no foundation for the story, others believing it and others still holding that when the new posts are finished at Riley and Chicago there must be changes of some kind in the location of the troops.

A Failure.

The Omaha Bazaar, a fancy goods and notion store, passed into the hands of creditors yesterday on a chattel mortgage for \$2,000, executed M. Toft, president, and C. Toft, manager of the concern, to the United States National bank. A majority of the creditors are non-residents. M. Toft, the president, is a cigar dealer in this city and a brother of C. Toft. The latter formerly ran a saloon under the People's theater. Dull trade is assigned as the cause for their trouble.

Got the Worst of It.

Postmaster Gallagher had a combat with the curb-stones at Twentieth and Dodge streets Sunday and got the worst of it. As a result he is now wearing his right optic in mourning and a large section of court plaster on the bridge of his nose. On stepping from the cable cars at the place mentioned he started to fall forward, but did not reach the ground until near enough to the sidewalk to strike the sharp edge of the curbing with his

Nebraska Corn Abroad.

Secretary Mason, of the Omaha board of trade, received a communication from Robert W. Furnas, of the state board of agriculture, yesterday, referring to the proposed corn exhibit in in Paris. It stated that the scheme was an excellent one, and that the recommendation of the board of trade would be brought up at the next meeting of the state board. Mr. Furnas hoped that as it was to advertise Nebraska to the world, it uld be done in a manner creditable to the state or not at all.
