RETAILING WESTERN

As spot cash buyers is known to all woolen mills and manufacturers. We are receiving daily samples from importers and manufacturers offering for ready cash large quantities of goods far below the market value rather than sell them on customary terms—4 months or longer. Spot cash will work miracles and we have closed out several large lots at prices incredibly low and are able to offer extraordinary values.

The most of the late purchases are very choice goods from some of the best manufacturers in the country; we do not mention names of the woollens or the manufacturers. How easy it is for a house to give things a name and call this a Fitchburg, that a Sawyer, etc. etc. We use no deception; don't tell you any stories, but simply offer you FIRST CLASS GOODS, THOROUGHLY WELL MADE, AT PRICES LOWER THAN ANY OTHER HOUSE DARES TO NAME. And we back up the quality of all goods we are offering by our iron clad guarantee: IF GOODS ARE NOT AS REPRESENTED YOUR MONEY IS REFUNDED.

If you have not yet traded with us and don't know us ask your neighbors or your friends about us. You will find among them many that have traded with us. Ask them how we are selling goods; ask them if our goods did not always give entire satisfaction in ever particular, and above all ask them about our way of doing business.

Among the new bargains we are opening now we mention. Good Blue Flannel Sack Suits, color warranted indigo blue, with good trimming and well made, with eyelets for G. A. R. buttons, at \$5.75. The usual retail price for this suit is \$8.50.

Very fine Blue Flannel Suits, all wool and indigo blue, with excellent lining and made up in G. A. R. style at \$7.75. Other houses would give this same flannel a high sounding name and sell the suit for \$12, but we guarantee it to be as good a blue flannel as there is made in this country.

Those elegant silk faced Cheviot Suits we are offering at \$10.50 are exciting the admiration of all customers. They have not yet been duplicated by any house.

In Men's Furnishings we offer this week special drives in light weight Underwear and fine fancy Flannel Shirts. We have an immense variety at prices which no other house will make.

Samples of goods and rules for measuring sent on application, and mail orders promptly attended to.

FOREIGN MISSIONS.

Subject of Rev. Osborne's Sermon at Trinity Church Last Night. The annual conference of the Woman's auxiliary of the Episcopal diocese of Nebraska was opened last night with a sermon by Rev. Louis S. Osborne, of Trinity church, Chicago.

There was a large attendance, unusually of ladies. The music was exceptionally good and the service was one of great interest throughout. The Rev. Mr. Osborne, in his sermon, said: "I finished up our business," said he, "two weeks ago, and will have nothing more to keep us closely confined until next fall. I had not been out of the city since last August, and concluded to make my relatives, of whom I think the world a short visit. I was very much surprised at the size and beauty of Omaha and feeling so many old friends here. It is hard to say when I will get ready to return home."

Mr. Hawley is well known in this city, and is at present connected with the oil syndicate in Wyoming, of which Mr. Riell is the head.

Afflictions seem to have visited him very severely in the last few months. Last January he passed through Omaha on his way to Ohio in response to a telegram announcing the illness of his wife. He reached her bedside an hour before she died. Since that time, Mr. Hawley has contracted diphtheria, which was unfortunately communicated to his little daughter, whose death is the consequence of this terrible disease.

The ground is almost as smooth as a table and it is intended that it shall be the finest rink of the city. There will be four tennis courts and single and double pennants will be put up. The courts will be open to the lady friends of the members every day till 1 o'clock during the season. Twice a week there will be "ladies' day." Parallel and horizontal bars and a track around the courts complete the grounds which will be provided with a shower bath.

A trench was also started at Thirtieth and Dodge streets, where water mains will be extended on the latter street up to Thirty-third, a distance of three blocks. Squads of workmen are also busy at Fifteenth and Williams and Twenty-fifth and Cassius, where the mains will each be extended one block.

The church will be beautifully decorated and appropriate music will be rendered. Major E. B. Clarkson, of the Grand Army, will act as master of ceremonies.

BEER AS A GLASS. The Price Was a Trifle High, Hence an Interesting Suit. Dr. M. O. Ricketts, a leading colored man of this city, entered Jack Woods' saloon yesterday and the bartender refused to sell him a glass of beer for less than \$1 a glass. The doctor was highly indignant over this treatment, which he declares is a violation of the civil rights clause of the constitution of the United States. The doctor repaired to the police court and after refusing to allow the bartender to sue for a warrant for the arrest of Woods, charging him with violating not only the statutes of the state, but the constitution of the United States, he proceeded to file a writ of habeas corpus against the saloon, and the doctor has therefore specified in his complaint that a saloon is a place of amusement. In the writ the plaintiff alleges that "John L. Wood, being the proprietor of a saloon, and said saloon being a place of amusement, did unlawfully and against the duty of M. O. Ricketts, without reason applicable to all persons alike the enjoyment of the accommodations and facilities of said saloon, by selling said public liquor saloon by refusing to sell said M. O. Ricketts a glass of beer, except for the price of \$1 per glass, to be paid for in advance, and requiring to pay \$1 for each glass of beer not when required exacted of all persons."

KILLED BY THE GRIP.

Ignall Walz Meets a Horrible and Painful Death. Ignall Walz was crushed to death, yesterday afternoon, at 3 o'clock, by being run over by a cable car, at Thirtieth and Dodge streets. The car which mangled him was number 88.

Walz was a tailor by trade, and was in the employ of John Rasgorshok, 205 South Thirtieth street. He was thirty-one years of age and roomed at 1335 Jackson street.

Shortly before 3 o'clock, Walz, in company with Julius Schirmer and Rudolph Lehmann, boarded the cable at Twentieth and Charles streets, to go to the Union Pacific ticket office, which is located on Thirtieth street. When they got to Thirtieth and Dodge, his companions alighted from the car, which was about to start, and Walz jumped.

Walz did not wait until the car stopped, but jumped backwards and fell directly across the adjoining track, upon which car No. 88 was approaching. Before it could be stopped he was under its wheels.

Walz died eight minutes after he was run over. His remains were taken to Drexel & Muhl's undertaking establishment, where an inquest was held. The result of the inquest was that Walz met with an especially rare case of death by his own carelessness. He was a member of the Liederkreis society, and also belonged to the Tailors' union. The tailors held a meeting, which was held at the residence of Mrs. Walz, on Thursday afternoon.

J. B. Cravin, conductor, and John Cahill, manager of the cable, were called upon to furnish bonds in the sum of \$5,000 for appearance in police court, Thursday afternoon. F. A. Tucker and H. Goodrich, of the cable company, went on their bonds.

Died on the Road. C. C. Mitchell, traveling representative for the Taylor-Thompson Spice company, of South Water street, Chicago, died between 11 and 12 o'clock Sunday night at the Murray hotel of heart disease. He had been subjected to attacks of palpitation for several years, but the one which seized him Sunday morning baffled medical skill. The deceased was a popular member of the Traveling Men's Protective association, well known in this city, and had many friends throughout the west. He stood high in the ranks of Knights Templar as a member of Apolo commandery, Chicago, and will be buried under the auspices of that order. Telegrams were sent to his employers and answered in structing Coroner Drexel to see Frank White, manager of the house, and request him to escort the remains to Chicago. White will probably leave for that city today.

He was interested in himself and his family in making arrangements for the funeral.

Sunday Liquor and Perjury. Chief Sawyer has ordered Captain Carmack to swear out warrants for the arrest of Herman Meyer, 1024 South Thirtieth street; — Kammerer, 1329 Pierce street, for selling liquors on Sunday.
