### CHICAGO LIVE STOCK MARKET.

CHICAGO, July 1 .- [Special Telegram to THE BEE. |-CATTLE.-About 8,400 natives and 2,500 Texans constituted the estimated receipts for the day. The market for native cattle opened slow and firm at last week's closing quotations, but later on, when advices from eastern markets reported an improved demand and strong prices generally, the trade at this point developed an active movement at strong figures, the pens being cleared long before the whistle blew for closing the market. Texans and native butchers' stuff also met with good inquiry and found a ready outlet at slightly better rates. As usual on Monday, the stocker and feeder trade was dull.
