Why He Was Not Arrested. About two weeks ago Justice Anderson, United States commissioner, issued a warrant for the arrest of "Vic" McCarthy, on the charge of passing counterfeit money. He was supposed to be one of the men who were engaged in circulating the counterfeit at Bellevue. LOOK TO YOUR TITLES.

It is Dangerous to Buy the Alleged Property of the Squatters. Some of the people who have been buying small homes from squatters around Cut-Off lake are beginning to find out that they may have trouble in holding them. Two weeks ago Mathias Mathison and wife sold and deeded to William Grimm one-half acre in section 3, township 15, range 13, to which, it is said they had no legal title. Thomas Davis purchased this land several years ago from the man who originally pre-empted it, and there is nothing on record in the office of the register of deeds to show that Mr. Davis ever made a conveyance of it to any one. Grimm has taken possession of the land, and being a poor man, cannot afford to lose that amount of money. He is in consultation yesterday with the register of deeds, Jeff Mosebach, who sent him to see Fred Davis, cashier of the First National bank. His father, it is claimed, was the man who earliest claimed ownership of the land.

Makes white goods whiter. Colored goods brighter. Flannels softer with more ease and comfort, and better (in less time) than anything known. Directions for easy washing on every package. Millions use it because it makes the washing of clothes and house cleaning easy—a child or delicate woman can do such work with Pearline. It's for the finest lace to the coarsest cotton or wool—the most delicate paint to the kitchen floor—the most costly silver to the kitchen sink. Beware of imitations and peddlers. The house is quarantined and an officer stationed there during the day, but the physician reported that at night rappers approached the house, and even went inside, and he suggested that an officer be stationed there at night also. The suggestion was acted on, and another officer will be detailed for that duty. The child has passed the critical stage. None of the other occupants of the house have contracted the disease.

A complaint about the offensive condition of several vaults at the corner of Eighteenth and Webster, owned by D. Thomas, was referred to the city physician for examination and report.

The report of the plumbing inspector was presented, showing a plan submitted for inspection at an aggregate cost of \$4,107. Continental Clothing House FALL ANNOUNCEMENT.

New Goods in the Men's Ready Made Department.

We have received this week our first installment of New Goods, and already our stock has assumed mammoth proportions, consisting of some of the choicest styles, and the first to come to hand, Early Buyers will find it to their advantage to make their selections now.

FALL OVERCOATS.

The numerous sales of light weight overcoats this week have reminded us that the season for summer goods is passed. Our light weight overcoat stock is seldom equalled in variety by any of the large houses in the country.

Merchant Tailoring Department.

We expect to have our Fall opening on the 27th. Some styles in this department have been received, but we expect our full line here on the 27th, which will be shown in our SPACIOUS CUSTOM DEPARTMENT on the second floor.

HAT DEPARTMENT. WILCOX HATS! WILCOX HATS!

We have been successful in having a line of Derby Hats made for us (which we know is equal to any agency hat in the market), made by David Wilcox & Co., of Boston. These goods are well known all about the country, and we feel confident of giving perfect satisfaction when we offer them to our trade. The price will be \$3.50, and we assert that it is not necessary to pay a fancy price for other makes, when these can be bought for \$3.50. Five shapes have been received, and will be shown in our windows this week.

Boys' and Children's Department.

The preparations for this department have been on the broadest scale, and we propose to offer a line of goods which will be all that capital, experience, and good taste can suggest. We will have more to say about this department in a few days.
