

THE DAILY BEE.

E. ROSEWATER, Editor. PUBLISHED EVERY MORNING. TERMS OF SUBSCRIPTION. Daily (Morning Edition) including Sunday...

WHAT SHALL THE HARVEST BE?

The four new states, which will soon have completed the work necessary to their admission into the union, will exert an important influence upon national policy and legislation.

It is the misfortune of the west that it is largely represented in congress, and especially in the senate, by men who are conspicuously the instruments of the corporations...

The cheapness of brick should encourage the erection of more brick dwellings in the suburban districts of the city, Omaha has too many wooden buildings.

IOWA may well pluck the feather out of Kentucky's cap as the blue grass state, judging from the interest manifested in the Blue Grass palace at Creston.

PLAIN John Miller was nominated for governor of North Dakota by acclamation in the republican convention of the new state.

THE schooner Sapphire has arrived at Victoria, British Columbia, with two thousand five hundred seal skins on board.

MEXICO has her trust problem to confront owing to the formation of syndicates controlling some of the leading commercial interests of that republic.

ample of the power of army service to create permanent friendships which grow in force and fervor from year to year, as well as for its patriotic influence...

THE SEAL CONTROVERSY. There was a report from Ottawa a few days ago that the British government had refused to send war vessels to protect Canadian seal fishers in Behring sea.

THE PIERRE SIGNAL will soon appear as a daily. The Pierre Signal will soon appear as a daily. The Pierre Signal will soon appear as a daily.

NEBRASKA JOTTINGS. York now has a fire bell which cost \$133.37. Snyder has voted \$30,000 bond to build a high school building.

STATE AND TERRITORY. Nebraska Jottings. York now has a fire bell which cost \$133.37. Snyder has voted \$30,000 bond to build a high school building.

THE miners of northern Illinois are placed in a peculiar and unsatisfactory condition if the report of the committee appointed by Governor Fifer to investigate the mining troubles of that region can be relied upon.

THE Elitir Wants Reviving. Chicago Tribune. The Brown-Squad Elitir appears to need a dose of it.

THE Soap Man Draws the Line. Mrs. Leslie Carter's picture recently appeared with that of Modjeska in an article in a New York newspaper on "The Queen of the Stage."

How to Vitalize. Cincinnati Commercial-Gazette. If Mr. Cleveland would vitalize himself as a political candidate he must come to Ohio and partake of the fluid extract of the wool question.

THE good name of the state and his own dignity as an officer will be let Sullivan serve his term. A portion would turn the whole pursuit and prosecution of these men into a farce.

HE WAS SAVED BY A DEAD MAN. A First Mate's Awful Experience in the North Pacific. MUTINEERS AND MAN-EATERS. Seamen Kill Their Captain and Throw Him Overboard Just in Time to Save the Mate's Life.

There passed through this city to-day a man whose terrible experiences in the North Pacific ocean equal those of the famous Robinson Crusoe, whose adventures have been the astonishment of American youngsters for several decades.

Some months ago we were off the coast of British Columbia, some 600 miles from land, and one day when I was out with nine of the crew, I noticed a signal being worked from the mainmast rigging.
