DRAPERIES.

In this department, during the fair week, we have determined to offer some very special inducements. A large percentage of our importations for the fall trade have arrived, and our drapery department is overflowering with new goods and extreme novelties at prices that will make our competitors sick. The great secret of the tremendous business we have done in this department during the last season lies in the fact that we have, instead of charging fancy prices for draperies, as is the custom in this department, we have been content with the smallest possible margin on which we could do business, and our customers were not slow to see the

We do not give a long list of prices, bargains culted from our immense
