VOTED AGAINST A FUSION.

Action of the Iowa Union Labor Party Convention.

DES MOINES, Ia., Sept. 4.—[Special Telegram to THE BEE.]—The union labor party of Iowa held a state convention here to-day and nominated a full state ticket. The sentiment against fusion with either of the other parties was very strong, and a resolution was adopted to the effect that no person be nominated who would not subscribe to the platform of the party and agree to remain in the field until the close of the campaign. The following ticket was nominated:

The Platform and Resolutions—Strange Freak of a Charles City Girl—A Collision at Des Moines.

Asked to Foot the Bills. DES MOINES, Ia., Sept. 4.—[Special Telegram to THE BEE.]—J. V. Mahoney, secretary of the Sioux City Jobbers' and Manufacturers' association, makes a public statement which causes quite a flutter here. He says that when the delegation of Kansas City business men visited this city they were given a public reception, and otherwise well entertained. But soon after the visitors returned home they received a bill from the hotel where they had been banqueting, the bill being returned with the answer that the guests would pay it if the hosts did not. Mr. Mahoney says there are \$2,000 worth of bills stacked up in his office, and unless provision is made to pay them, and that he has had no success.

Druggists Up in Arms.

DES MOINES, Ia., Sept. 4.—[Special Telegram to THE BEE.]—The Linn county Pharmaceutical society pledged themselves in their regular meeting here to aid the democratic party this fall. If that party, in its platform, would declare in favor of amending the pharmacy law, the clause requiring them to give bonds for \$1,000, and to secure the names of a majority of the freeholders of their ward on their petitions for permits to sell liquor for medicinal purposes, with many like requirements, as is distasteful to the public, they will give the republican ticket in a body. Other similar county organizations will follow, and the matter is to be made a state affair.

The State Fair.

DES MOINES, Ia., Sept. 4.—[Special Telegram to THE BEE.]—The attendance at the state fair this morning was very large and promised to exceed all records, but rain began about 3 o'clock and fell till night. The races consequently were very poor, and only made to keep up the programme. It is clear to-night, and the attendance to-morrow will be greatly increased. The closing of the fair. The city is illuminated to-night with fire works, and a part of the military band from the Seal Ord Sed carnival is being carried out.

THE LADY SMILED.

The Saturday afternoon train at Point Tiburon was crowded with usual and people were streaming through the cars in the hurried search for vacant seats. Little Mr. Tom N. Oddy, who was just starting out on his two days' vacation, knew there would be this rush and so was among the first to scumper off the boat, chamber into the nearest coach and pre-empt the best middle seat on the shady side of the car. Then, after the miserable fashion of his kind, he proceeded to cover the entire seat with himself, his overcoat, his cane and his valise.

The Farmers' Alliance. DES MOINES, Ia., Sept. 4.—[Special Telegram to THE BEE.]—The annual meeting of the Farmers' Alliance has just been held here. In addition to hearing reports of the secretary and president, there was a discussion of railway legislation and other matters of interest to farmers. A series of resolutions was adopted, favoring uniformity of text books in public schools, and a date for governor two years ago 14,570 votes. It was in Iowa last year for Streeter for governor 6,125, and it is not expected that the vote this year will be as large as that.
