organs when their inactivity points, as it always and unmistakably does, to their eventual permanent disease, is certainly very risky indeed. This is, however, a risk that many persons percentibly drifting into Bright's disease, diabetes, catarrh of the bladder, etc., constantly incur. So those who read, reflect and heed the lessons of recorded experience, the advisability of using Hastet. experience, the advisability of using Hostet-ter's Stomach Bitters as a diuretic need scarcely more than a suggestion. No fact is more generally admitted by the medical pro-fession and the public than its efficacy for the prevention of serious renal disease. The un-medicated excitants of commerce promoters medicated excitants of commerce, no matter how pure, bear in mind, react prejudicially upon the kidney when inactive. The Bitters subdue malaria, constipation and rheuma-tism.

ATLANTA, Ga., Sept. 10.-In the legislature yesterday, a bill was introduced making it a felony to carry on any corresdondence looking to a duel, with the penalty from one to five years imprisonment.
