If you are looking for a home, call and see us. Geo. N. Hines, New York Life building, Omaha. 501-22

TO MANUFACTURERS—will give ample ground, with splendid trackage facilities, on the Fremont, Elkhorn & Missouri Valley railroad, or on the Missouri Pacific (Bell Line) or any other line, just outside the city limits, in West Omaha, conveniently situated as regards access to the business center of Omaha and the opportunity to purchase the location of any of the following in industries: Furniture Factory, Button Factory, Sheet Factory, Lard Refinery, Star & Wisconsin W'ks, Purifier Manufactury, Paper Mill, Flower Works, Plow Works, Knitting Mills, Nails Works, Oatmeal Mill, Box Manufactory, Saw Mill, Bluff Wine Works, Manufacturing, Machine Shops, Flour and Feed Mill.

Or any good manufacturing plant. West Omaha has all the city limits and industries planted there will escape heavy city taxes. If you are looking for a home, call and see us. Geo. N. Hines, New York Life building, Omaha. 501-22

CHEAP homes. Secure homes in Omaha View. Now that the motor line is to run to 33rd and Lake street in Omaha, View, homes in that section will be easily accessible after account of the great advantages of location, altitude, healthfulness, accessibility, good neighbors, schools, churches, nearness to business center, etc. Many lots, some with houses, which lots, or lots with new houses built to order can be bought. This is the one single additional factor which makes the value and prices as low as though no boom had ever occurred in Omaha. You get the lots at an honest price and get honest values in return. People are moving to the city, and are chasing in Omaha View, and should at once call on Boggs & Hill, 1406 Farnam street and see him and make terms for a house, and he will furnish it at a reasonable price.

For Sale—Improved and unimproved, Nebraska City property, consisting of 60 choice residence lots in central part of the city; three business lots in downtown section thereof, ranging from \$10 to \$10 per minute; one on Central Ave.; in business part of the city; one store room, 21x10, 2 stories high and two store rooms 24x12, 2 stories high, and two store rooms, 24x12, 2 stories high, and two store rooms, in central business part of the city; the Grand Pacific hotel, the best hotel in the city, centrally located, situated here with 3 store rooms, one on each floor, 2 stories high, and the lower floor; 575 ft. of frontage on the B. & M. A glass of beer will attract more flies than a glass of water. It also has an attractive force for other animals not possessed of wings.

Another or not electricity will "work off" criminals effectively, it certainly seems to be killing off the lunatics with remarkable success.

Fashion asserts that dresses this fall will be decollete. Ample assurances are given, however, that the bills will not be cut low.
