BYRAN'S REPUTATION.

Men Who Know Him Vouch for His Reliability.

L. A. Bryan, late president of the Western Casket company, claims that he was mentioned in the report of the failure of his company in August last. The article referred to the wrecking of the Western Casket company and stated that Mr. Bryan had caused the citizens of Omaha to be misled from \$5 to as many hundreds, and that he had pocketed \$18,350 of the company's funds. It also referred to a loan made to his company by the Citizens' Loan company, and stated that through the trickery of Bryan the transaction caused the disrupting and breaking up of the loan company.

BEHIND CLOSED DOORS.

Business Transacted in the Grand Lodge of the Knights of Pythias met at 10 o'clock yesterday morning.

After roll call, a number of new delegates were admitted, and the grand lodge rank was conferred upon them.

The morning was passed in receiving reports of the committees on distribution and reference, and hearing resolutions which were presented for action during the remainder of the session.

This committee will be appointed at the afternoon session.

The lodge was called to order again shortly after 6 o'clock and proceeded to take action on the resolution which had been offered in the morning.

The election of officers will, in all probability, be held this morning, at which time a large number of candidates has been developed for all the offices, but the principal ones for the positions of grand chief and supreme representative are: A number of candidates are in the field for the first named office with none of them particularly strong. For the office of supreme representative the field has narrowed down to two Lincoln men, Richard O'Neill and John Morrison, with one or two dark horses.

The greater part of the afternoon session was devoted to filibustering and introducing new resolutions.

The lodge delegates made their appearance and received the grand lodge rank.

A resolution was introduced and adopted providing that in the instituting of a new lodge the installing officer shall not confer the three ranks upon more than fifteen candidates at one time, except in the rank of the lodge which he conferred upon as many as may be convenient.

The election of officers was made the order of business for the afternoon.

Chas. C. McLaughlin, of Hastings, past grand chief, arrived yesterday afternoon and was warmly welcomed.

The evening session of the grand lodge was devoted entirely to the exemplification of the secret work of the order.

HE PROVED AN ALIBI.

And the Assault Upon a Young Lady Goes Unavenged.

The case against Henry Lingzouier, the millman who was charged with having assaulted a young lady, which is now on trial, was concluded in Judge Wallace's court, the jury returning a verdict of not guilty. The evidence was conclusive that the young lady had been assaulted but the crime could not be fixed upon Lingzouier who proved an alibi.

A number of prisoners were arraigned before Judge Wallace and all pleaded not guilty. They were: William Rennolds, charged with grand larceny; William Hamilton, charged with grand larceny; S. S. Stewart, obtaining money under false pretenses; William Shea, highway robbery; George A. Soule, murder; Fred Lovelady, horse stealing.

A motion was made to have the bail of Bowman, Kinney's slayer, reduced from \$15,000 to \$10,000. Judge Wallace overruled the motion, holding that the prosecution intended to have the case tried at an early date and that no hardship will result to the defendant.

The judge stated that the case was clearly one of justifiable homicide or murder in the second degree. If the case had to go over to the county court, it would be an undesirable prospect for a prosecution of the kind.

An interesting point will be raised by the defense in the case of S. S. Stewart, charged with obtaining money under false pretenses, from John Lindholm. Stewart claimed to own a set of barber shop furniture and securities valued at \$1,000, which he had mortgaged for its worth and Lindholm caused Stewart's arrest on the charge.

Stewart's defense will be that the mortgage on his property was a record and that he could not secure money on it under false pretenses.

The jury in the case of Jensen vs. Abrahamson, in Judge Doane's court, returned a verdict giving the plaintiff possession of the property in dispute and damages in the sum of \$500.

The trial of the case of Jensen vs. the city of Omaha was commenced in Judge Doane's court. This is an action for \$3,000 damages for personal injuries sustained by the falling in of an open sewer on Bart street. The case was tried at 10 o'clock and a verdict of \$2,000 given to the plaintiff. A new trial was secured on the ground that the judge had charged the jury in the absence of the attorneys for both sides of the case.

A. C. Pennock has filed a petition in the district court, in which he alleges that he bought a tract of land in block 349, in this city, at private sale, for \$21,844, and received the county treasurer's certificate therefor. No part of the amount received by him has been paid, and he now brings suit against Samuel Harvor and others to have the property sold to satisfy his claim, which now amounts to \$19,950.

THE BURGERSVEIN.

Last night's meeting of the Central German-American association was very poorly attended. In the absence of Mr. Philip Anders, who, because of a call to Nebraska City, did not appear until 9:30 o'clock, Mr. Louis Heinrich acted as chairman. George Kinder acted as secretary. The several delegates of the war clubs reported. Among them was F. C. Reebe, who complained that it was very difficult to bring the people of his section together.

David Gellers and Henry Schmidt complained that only one or two were present in the First district of the First ward, when they wanted to register at 6 o'clock, Tuesday; that he had informed the city officers of the same and that they had refused to register.

The following resolutions were adopted: We, the members of the German-American Citizens' association of Omaha, heretofore known as the Germania, do hereby protest against the loose manner in which the officers of registration in the First district of the First ward allowed to their superior duties on last Tuesday, October 8, 1889.

After this, Louis Heinrich, F. C. Reebe and Michael Koch spoke of the purposes of the club and Charles Kaufmann, Philip Anders, Jacob Kopp, George Kinder, and J. L. Reebe were elected to draft a constitution and by-laws of the Verein to be printed in the German and English languages, and to be distributed amongst the voters of the county.

J. L. Reebe announced that another German club of forty members had been formed in the Eighth ward and was to hold its next meeting on Sunday at the corner of Twenty-fourth and Cumings streets at 8 o'clock. It was decided to attend this meeting in a body.

Ninth Ward Democrats.

The democrats of the Ninth ward were held to a meeting at Mercer and Lowe avenues last night. The object of the assembly was to nominate delegates and alternate to the democratic convention. Two men showed up. They varied the time from 8 until 10:30 o'clock by walking from Mercer and Lowe avenues to Lowe avenue and Hamilton street, a circuit of four blocks. It was decided to attend this meeting in a body.

Wants to Be Justice.

Some of the democratic lawyers, friendly to J. S. Morrison, are circulating a petition among members of the bar with a view to having that body endorse him for justice of the peace.

Max Hempe's Candidate.

Max Hempe, of the Fourth ward, is a candidate for superintendent of public instruction. He is a democrat and school teacher, and will probably be well supported in his ward.

A New Republican Club.

There will be a meeting of republicans at Bell's store, Thirty-third and Locust streets, at 8 p. m. to-day, for the purpose of organizing a republican club in the new Third precinct of the Sixth ward. The club will work in harmony with the present Sixth Ward Republican club.

All republicans of the Sixth ward are requested to be present.
