Mayor Broatch Opposes the Registration Extension. The executive committee of the republican county central committee met Wednesday evening at the Millard hotel and adopted the

following resolution, which was presented to Mayor Broatch yesterday morning: To His Honor, W. J. Breatch, Mayor of Omaha: At a meeting of the executive committee of the Douglas county republican committee, held at the Millard hotel, October 23, the following resolution was intro-

duced and passed unanimously: Whereas, There is a general opinion among whereas, There is a general opinion among attorneys that any resolution passed by the city council of South Omaha, Neb., whereby the date of registrations should be changed to others than those covered by the registration law as passed by the last legislature of Nebraska, illegal, void and in direct conflict with much registration law as enacted by with such registration law, as enacted by the last legislature, Resolved, That we, the executive commit-

tee of the Douglas county republican con-tral committee, call the attention of the mayor and council, to this fact, and ask them to refrain from any action in this mat-ter that would be illegal.

Mr. Breatch said that before ascertaining

what action had been taken by this com-mittee he had decided to veto the resolution

anyway.

"Will it come to you to be passed upon?"

"Since there is an additional expense of about \$1,500 contemplated, I don't see how the council can order it without my approval. Furthermore," continued his honor, "you may quote me as saying that there is entirely too much disposition manifested to set aside too much disposition manifested to set aside the law, and, in my position, I cannot afford to be a party to any such methods. This act explicitly states that registration of voters shall take place on certain designated days, and only on those days. It therefore is not for the council of this city to determine the constitutionality or validity of the law. That remains for a court of justice to de-

A number of lawyers were interviewed and they declared emphatically that the action of the council cannot stand. "While I have serious doubts about the constitutionality of the law," said Charles Offutt, "the city counthe law," said Charles Offurt, "the city council has no authority for overriding or setting it aside. The language of the constitution, however, is very searching on the subject of elections. A MOTOR RAM.

It Crashes into a Sherman Avenue Car at Burt Street.

Another collision occurred yesterday morning between two motor trains at Seventeenth and Burt streets. A Walnut Hill train, in charge of Motorman Cusic, ran into a Sherman avenue train in charge of Motorman Wise. A panel in the side of the latter was broken. The car had to be sent to the shop for repairs, while the front guards of Cusic's train were badly bent.

The motormen claim that these accidents are due to a lack of system on the part of the management. There is no definite understanding as to whose duty it is to change are to have the right of way at that point.

Catarrh

a expelled from the system, there can be no cure for this loathsome and dangerous malady. Therefore, the only effective treatment is a thorough course of Ayer's Sarsaparilla - the best of all blood purifiers. The sooner you begin the better; delay is dangerous.

"I was troubled with catarrh for over two years. I tried various remedies, and was treated by a number of physicians, but received no benefit until I began to take Ayer's Sarsaparilla. A few bottles of this medicine cured me of this troublesome complaint and completely restored my health."—Jesse M. Boggs, Holman's Mills, N. C.

Boggs, Holman's Mills, N. C.

"When Ayer's Sarsaparilla was recommended to me for catarrh, I was inclined to doubt its efficacy. Having tried so many remedies, with little benefit, I had no faith that anything would cure me. I became emaciated from loss of appetite and impaired digestion. I had nearly lost the sense of smell, and my system was badly deranged. I was about discouraged, when a friend urged me to try Ayer's Sarsaparilla, and referred me to persons whom it had cured of catarrh. After taking half a dozen bottles of this medicine, I am convinced that the only sure way of treating this obstinate disease is through the blood."—Charles H. Maloney, 113 River st., Lowell, Mass.

Overwhelming Statements Regarding the Purity and Power of a Popular Preparation - What Scientists

It is not only natural but just that proof should be demanded by the public for every statement or claim that is made to the public. When, therefore, it is asserted that a certain article is not only pure and palatable and a most delightful beverage, but also that it possesses qualities almost invaluable for the human system, people are right in demanding the proof. Head the following:

Professor Henry A. Mott, Ph.D., F.C.S., of New York, says: "By the most careful analy-sis, I have found Duffy's Pure Malt Whiskey free from adulteration or foreign substances, These qualities should certainly recommend it to the highest public favor." Dr. William T. Cutter, State Chemist of Con-necticut, says: "Duffv's Pure Mait Whiskey contains no deleterious or injurious qualities and its absolute purity as well as scientific mode of manufacture, must recommend it to general use and favor."

general use and favor."

Dr. R. W. Hutchinson, the eminent author says: "I highly recommend Duffy's Pure Mai Whiskey and prescribe it in my practice."

Rev. B. Mills, L. L.D., says: "I have used Duffy's Pure Mait Whiskey with great benefit to my wife who is a confirmed invalid. I am a Presbyterian clergyman and a Doctor of Divinity, but I am not afraid to recommend Duffy's Mait Whiskey as the purest and most efficient preparation as a medicine that I know of, and my experience is a large one."

Hundreds of additional statements could be furnished, but the merits of this article which has been before public so many years amply prove themselves its great power and value.
