

to 200 pounds of sugar par ton. In view of the fact that little is known of the culture MAUL WILL CON TEST. tion of sugar beets, and that the best has not been accimutized, enough is gathered from this analysis to prove beyond a doubt that

Discovery of irregularities in the Election Results.

ever, calls for \$198.10 m What action theorem insteadomer will take What action theorem is accounted and be accertained, used the demonstrates of the board refused to take upon the subject. Two bids were opened for supplying sever brief, as follows: 13. McCaffrey, \$11 per thousand; Fred Mengedoht, \$14.75 per thous-atd. There will, in all probability be a contest over the election of a coroner. In canvassing the vote of the county yesterday, the canvassing board discovered that the judges of election in the Third dis-trict of South Omains, had fulled to sign the returns in any way. The returns from Florence precent were in the same shape, and these from Union preciset did not show that the judges had qualified as such before the election. J. L. Weishans & Co. presented a bill of 1760 for piping in the county hospital bill of 196 an item of the county hospital the election. County Attorney Mahoney was called be-fore the board and asked for his opinion in the matter. He held that the cauvasing board should count the returns made to them, and that if there was any contest on account of irrogularity in the returns, it would be for the judges of the district court to decide whether the vote should be thrown out.

some of its founders. As I am, to a certain extent, familiar with the status and aims of the society, permit not correct the stato-ment in question. Dr. Cones was publicly expelled from the Theosophical society, hence his expelling More Blavatsky, the cor-responding seseretary, from the same society appears to be a poor boast of wounded var-ity. About the much tallied of report of the "Societ of Physicical Research," Mrs. Annio Resant, formartly one of the leaders of the "Freethought Party" in England, expresses her opinion in the following manner, while delivering a lecture August 4, 1859, at the moment, but it was not that body which ex-nomena, but it was not body which ex-nomena, but it was not body which ex-nomed it. I was not body and the stand that are ablave ablave ablave ablave and gave it the thought I could, and the than-sophical society. I wanted to know the worst that had boen and against Mme. Bla-vatex, I wanted to read the strongest at-tack."

various lines, the color of lights, etc. ELECTRIC MOTOR. Walnut Hill and South Eleventh street line commences on the corner of Mirror and Lowe avenues, runs cast to Thirty-second, south to Burt, east to Seventeenth, south to Cass, cast to Fourteenth, south to Howard, cast to Eleventh south to Viston. Returns north on Eleventh to Howard, west to Twelfth, north to Dodge, west to Four-teenth and Burt streets to Walnut Hill. The round true is made neighty minutes, true round trip is made in eighty minutes; trip south, forty minutes; return, lorty minutes. Trains leave both termini every eight minutes until 0 p.m., when the survice is changed to twolvo minutes in to 0.530 p.m.. Thereafter, up to midnight, it is every fitteen minutes. The leaves such terminus at 0.05 a.m., and the cust leaves wainut thui at three minutes after mininght. Too trains are row. The color of the light is real.

of the districts is known as the Burnt Church. The frigate charged with conveying the remains of Wolfe from Quebec to weather into Miramichi, and the acci-dential anchorage was thought favorables for securing a fresh supply of water. Six of the creat supply of water, six of the creat supply of the sec-dential anchorage was thought favorables for securing a fresh supply of water. for this portions of the state are well adapted for the cultivation of sumar beets. To the farmer, who holds such lands, this news is of an interesting character. A low sverage yield is placed at fifters tons per acre. At \$4.00 per ton an acre would not exceed \$15 per acre.

per acro. State House Jottings. Governor: Thayer returned from Doalphan on the Burlington fiyor this afternoon. Ho statended a grand army reunious at that place and colivered on address. Two First, of Charley, the state house to day. It is understood that thay yild an addence with the governor in the Inter-state of the Cowdrg for secretary of state. E. Hosecrans, sherif of Sheridan county, committed Thomas Skutukheid to the pen-ter of a serve a sentence of seven years. John A. Foster, of Greeley county, com-mitted two prisoners to serve terms of sev-ral years each, william Davis and William Dittick.

The Supreme Court. The proceedings of yesterday afternoon's fersion were as follows: The following cases were argued and sub-

mitted: H.&.M. R. R. Co. vs White. Pulman Palace Car Co. vs Lowe. Russel vs Grunses, error from the district court for Johnson county. A Girmed. Optimon by Cobb. J. Upon the case and oridence as set out at heighth in the optimon, held, that no ground of supercomputs is shown against the sheriff.

Two Foreclosure Suita. E. H. Gibbs asks the aid of the district burt in foreclosing a mortgage of \$1,000 and Interest to the amout of \$110.18, given by Nancy Fox and husband to secure a note now overdue, on thirty five feet of lota 5 and 5, block 19, city, stuated near the corner of twenth and U streets. October 1, 1855, according to a pointeen

<text><text><text><text><text><text><text><text><text><text> to decide whether the vote should be thrown out. Maul's majority in the city was 79, while Harrigan carried the outlying precincts by a majority of 111 votes. Harrisan's major-ity in South Omaha, Harrisan's major-lity in South Omaha, Harrisan's major-ditor wout the returns from the Third ward in South Omaha, Maul will have a majority in the county of 62 votes. If the returns from South Omaha, Florence and Union precise are all torown out on se-count of irregularities, Harrigan will still have a majority of 16 votes. The county atornay is of the opicion that the judgets in these precincts may be allowed to sign and cerify to the returns, which may then be included in the count. Mr. John L. Websto, who has been re-tained by Mr. Maul, takes isace on this joint and the matter will be argued before Judge Hopeweli. The work of transcribing the returns has

point and the matter will be argued before Judge Hopeweit. The work of transcribing the retarns has been connicted, but the board will not make up the totak until the points in quest-ion have been settled. Prank Moores received one vote for constable. H. J. Davis received one vote for supremo jodge. J. E. Carkaon received one vote for county cark and one for county judge.

and opinion. R. PRATER

# BREVITIES.

Jefferson Davis Jefferson, a colored man, was tried in police court yasterday afternoon for breaking Fred Sinith's opes with a brick He was find \$50 and costs. T. L. Catton, a coal dealer, was arrested arain yesterday otherwed with doing business without a License. His case was so for Monday.

### SHUNNED BY EVERYONE.

SHUNNED BY EVERYONE. The Home of the Canadian Lepers at Tracastis. A mild interest is excited every year in the condition of the Canadian lepers when partiamort is called upon to vote the annual sum for the support of these unfortunate beings, says a Montreal let-ter to the New York Times. But a more popular interest is being created by the investigations of two journalists, who are presenting all the facts con-nected with their drawry ille and plac-ing on record testimony to the sacrific-

tonely spot. Houtangiars to Demonstrate. Paus, Nov, 9. – The Brailmenist erzans an-monore that a demonstration of Houtangers will be made in the Place de la Concorde Towards and the Place de la Concorde Towards and the Place de la Concorde Towards and the the second second and the Boulanger's optimized the labor of deputies and enter a protont scalastic allowing definin. Houtanger's optimized the labor of the govern-ments will appress any demonstration what-ever.
