A County Boarder. The original Tom Quinn will board thirty days at the expense of the county on the charge of being an idle person. Nothing would have pleased Tom any better unless the judge had sentenced him to thirty days in jail. He is entirely too stout to work when free board and the comfortable quarters at the county jail are starting him in the face.

Real Estate Exchange. But one piece of property was listed and one sale reported at yesterday's meeting of the Real Estate exchange. The listing was lot 7, block 2, Union Place, South Omaha, \$300. The sale reported was by C. L. Jaynes & Co., lot 11, block 2, Sherman Avenue Park, for \$100.

Clode was brought into Judge Campbell's court on a writ of habeas corpus on Saturday last, but in spite of the fact the court ordered that Mr. Huebner appear next Saturday and show cause why he should not be punished for contempt in disregarding the writ of habeas corpus, when it was originally served upon him.

A Nightly Freighter. George Fry is a gray-haired old loafer who has been arrested a number of times for idling. Sunday night he went to William White's carpenter shop at 1130 North Twentieth street and finding the door locked picked up a heavy scuffling and forced it open and crawled into a bed in the rear of the shop. White lives up stairs and heard the noise. He quietly hunted out and found a policeman. When the two returned Fry was fast asleep but was awakened and driven to central station in the patrol wagon.

BARTON ON THE TRUST.

Bo Donahoe That Thus Far a Sme'ting Trust Has Been Formed.

Mr. Guy Barton, president of the Omaha & Great Smelting works, was interviewed in regard to the authenticity of the report of the big smelting organizations of the country forming a combine with a capital of \$25,000,000.

The gentleman says that a meeting had been held in Omaha in November last and another had been held two weeks ago in Chicago, but that no permanent organization had been effected. At the latter meeting all but six of the leading smelting companies in the country were represented. The meeting was for the exchange of ideas rather than for organization, and none of the delegates were clothed with power to do anything preliminary. The smelting companies wish to place their interests beyond the control of one trust, and the meeting was held for that purpose.

Everybody Knows. That at this season the blood is filled with impurities, the accumulation of months of close confinement in poorly ventilated stores, workshops and tenements. All these impurities and every trace of scrofula, salt rheum, or other disease may be expelled by taking Hood's Sarsaparilla, the best blood purifier ever produced. It is the only medicine which "100 doses one dollar" is true.

In this respect Omaha is behind all of the cities of the country. We need a thoroughly organized department for food inspection. Each meat market should be inspected daily and every pint of milk sold in the city should be subject to the most rigid inspection. A half-rotten system is worse than none at all. The work should be thorough. The board of health will take the matter up for consideration immediately."

Indigestion

It is not only a distressing complaint, of itself, but, by causing the blood to become depraved and the system weakened, is the parent of innumerable maladies. That Ayer's Sarsaparilla is the best cure for Indigestion, even when complicated with Liver Complaint, is proved by the following testimony from Mrs. Joseph Lake, of Brockway Centre, Mich.:

"I have used Dr. Hall's Colic Syrup for my children; it is the golden remedy. Mrs. Dr. Blackwell." "Liver complaint and indigestion made my life a burden and came near ending my existence. For more than four years I suffered untold agony, was reduced almost to a skeleton, and hardly had strength to drag myself about. All kinds of food distressed me, and only the most delicate could be digested at all. Within the time mentioned several physicians treated me without giving relief. Nothing that I took seemed to do any permanent good until I commenced the use of Ayer's Sarsaparilla, which truly produced wonderful results. Soon after commencing to take the Sarsaparilla I could see an improvement in my condition. My appetite began to return and with it came the ability to digest all the food taken; my strength improved each day, and after a few months of faithful attention to your directions, I found myself a well woman, able to attend to all household duties. The medicine has given me a new lease of life."

Ayer's Sarsaparilla, PREPARED BY DR. J. C. AYER & CO., LOWELL, MASS. Price 25c. Six bottles, \$1.50. Worth \$3 a bottle.
