John Tighe's Alleged Wife Visits South Omaha for Blood. AND MONEY WILL APPEASE HER.

Rev. Mr. Wheeler's Regrets to the Emmet Committee—Sudden Death of John O'Brien—City Notes and Personals.

A Woman on the Warpath. One of the men killed at the boiler explosion two weeks ago was John Tighe, the head fireman in the fatal boiler room.

Her undue haste in getting hold of the money due Tighe caused some comment and suspicion that all was not right.

On the arrival of the two relations of Tighe, who came from Florida, Ill., and conveyed his body back for burial, it was learned that the woman was never legally married to Tighe and had no claim on him or any of his effects.

Nothing had been done in that direction until Thursday, when the alleged Mrs. Tighe came down from Omaha with blood in her eyes.

Oh! ye who teach the ingenious youth of our great nation, let them learn the noble art of self-defense, as Salvation Oil is the specific for burrs.

THE SOLDIERS' RELIEF FUND.

Another Protest Entered by Mr. O'Keefe—The Commissioners. The county commissioners met yesterday afternoon to consider bills. All the members were present except Herin.

When the minutes were read Mr. O'Keefe objected to that portion stating that \$500 had been appropriated for the soldiers' relief commission on the ground that such action was illegal.

Mr. Anderson asked Mr. O'Keefe why he had not taken the matter into the court, as he had threatened, and Mr. O'Keefe replied that he would do so as soon as the order for the amount was drawn.

The committee on construction submitted their report on the bill of extras of Ryan & Walsh, recommending that Messrs. D. L. Shanks and John E. Coughing

Is Nature's effort to expel foreign substances from the bronchial passages. Frequently this induces inflammation and the need of an expectorant.

Ayer's Cherry Pectoral. It assists Nature in ejecting the mucus, allays irritation, induces repose, and is the most popular of all cough cures.

Of the many preparations before the public for the cure of colds, coughs, bronchitis, and kindred diseases, there is none, within the range of my experience, so reliable as Ayer's Cherry Pectoral.

A few years ago I took a severe cold which affected my lungs. I had a terrible cough, and passed night after night without sleep.
