Another Kimball Cabinet Grand Upright \$350 Piano Shoe Sale. This is Our Second Piano Shoe Sale—One Ticket Given With Every Dollar Purchase—A Very Rare Chance.

This is one of A. Hospe, jr.'s, leading pianos and is the identical instrument that Madam Emma Albani of the Patti Italian opera company used at her hotel during her stay here, which is a strong guarantee of its quality.

I was the holder of the lucky number, 8,110, which drew the piano, and wish to express my sincere thanks for the very prompt action on the part of Hayward Brothers in giving me possession of the piano on presentation of the ticket. The store was crowded on the evening of the drawing and everything was done to the entire satisfaction of those who witnessed it.

F. R. FRENCH, With Himebaugh & Taylor, 1405 Douglas street.

The above piano was drawn February 25, 1890. Our stock is entirely new, not carried over from last season, and we shall put forth extra effort for new customers, and shall try hard to merit a continuance of your patronage.
