the season of 1890. The ladies have organized to  
sell them. The price is \$3.00, but if taken  
now they will be sold for \$2.00. If a suf-  
ficient number of these tickets are sold now it  
will justify the committee in increasing the  
attraction of the programme. The ladies

THE CITY'S PLEA OF ABATEMENT.

Opening of the Federal Court—An  
Innocent Abroad—Frisky Boreas  
—Chautauqua Tickets—Gen-  
eral News Notes.

The city council met yesterday afternoon,  
present, Mayor Macrae, Aldermen Lacy,  
Woods, Wind, Smith, Mikesell, Knepper,  
Casper and Everett.

The following bills were referred to the  
finance committee: F. A. Spellman, \$50;  
Dr. J. C. Waterman, \$34.50.

City Attorney Stewart submitted a report  
regarding the right of the aldermen to draw  
additional fees as members of the board of  
equalization. He held that the aldermen  
draw a salary as members of the council,  
and this was in full compensation for their  
duties, and that inasmuch as they were sit-  
ting as a board of equalization.

This being the case the city could recover  
any money so drawn.

Alderman Knepper stated that he had  
drawn his money for such duties, but if it  
was illegal he did not want it. He had drawn  
the money for the purpose of recovering all money  
paid out, and the city attorney instructed  
to at once begin suit and recover all money  
thus illegally paid out. The motion pre-  
sented, Alderman Mikesell voting no.

Park Commissioner Graham appeared be-  
fore the council and stated that he had the  
contract for the property needed for the Canning  
hill cut. The consideration was \$300, and on  
motion of Alderman Knepper the committee  
was instructed to make the purchase.

The city engineer was instructed to  
draw up specifications for the purpose of let-  
ting the work.

City Engineer Stinson submitted a re-  
port of the property turned over by him to  
his successor. The report was referred to  
the committee on property with instruc-  
tions for them to verify it.

Alderman Everett submitted a report on  
the North Second and Frank street bridges.  
Mr. C. E. H. Campbell examined the bridges  
mentioned, and stated that they should be  
condemned. The report was received and  
Alderman Knepper moved that the city en-  
gineer be instructed to draw up plans for  
new bridges. It was amended so as to give  
the bridge committee power to act in the  
matter of repairing the Frank street bridge,  
and the city engineer instructed to prepare  
plans for a new bridge on North Second  
street.

Alderman Everett, chairman of the  
judiciary committee, reported in favor of  
reducing the assessments of John Fox, John  
Schickel and C. P. Brinton. Alderman  
Lacy protested that the day of grace had  
passed by and on motion of Alderman  
Knepper the report was received and placed  
on file.

The committee appointed to consider a  
change of council rules reported as follows:  
Requiring six aldermen to constitute a  
quorum; increasing the number of commit-  
tees to eight, to consist of three supreme  
each, no two to be from the same ward, and  
slightly changing the order of business. The  
quorum was reduced from five to three, and  
the order of business changed. The clerk  
was instructed to have 100 copies of the  
rules printed for use of the aldermen.

Report of ex Mayor Rogers and the  
finance committee with reference to bonds  
destroyed was received and ordered placed  
on record.

Alderman Woods introduced an ordinance  
to provide for the destruction of all devices  
of gambling in the superior court; and  
authorizing the marshal and all police officers  
to seize such devices whenever and wherever  
found. Alderman Lacy moved to refer it  
to the judiciary committee. Alderman  
Woods announced his moving to suspend the  
rules and pass it to its second reading.

Alderman Lacy then wanted to be heard.  
He said he wanted to know what was meant  
by gambling. He wanted to know what was  
meant by the ordinance would allow any crank  
to go out and seize all billiard  
tables and pool tables, etc. The judiciary  
committee had decided that billiard playing for  
the price of the game, shaking dice or play-  
ing cards for cigars and similar practices  
were gambling. He wanted it more spe-  
cific, and thought the judiciary committee  
should handle it. Alderman Woods objected  
that it was a criminal ordinance and should  
be referred to the police committee.

The plat of Oak Grove addition was  
referred to the city engineer with instructions  
to prepare an ordinance.

The petition of J. E. Rice and others for  
the establishment of a grade on Logan, Har-  
ney and Oak streets was granted.

A petition of property owners on Avenue A  
against paying that thoroughfare was read  
and the prayer of the petitioners granted.

The petition of Sarah E. Field for compensa-  
tion for damage to her property caused by a  
defective sewer on Union street was re-  
ferred to the committee on streets and al-  
leys and the city engineer.

A resolution ordering South First street  
cut to grade was adopted.

The marshal was instructed to arrest all  
persons refusing to take out licenses as com-  
mon carriers.

The petition of the Wahash railway com-  
pany to have J. T. Murphy appointed as suc-  
cessor to the late George W. Smith as railway  
company was referred to the mayor.

The bond of A. L. Stevenson as city clerk  
in the sum of \$10,000, was approved, as was  
his bond in the sum of \$4,000 as clerk of  
the superior court.

The sidewalk contract of George P. Smith  
was approved.

The ordinance of the city engineer was re-  
ferred to the committee on streets and al-  
leys and was also all old ordinances with  
reference to the streets.

Mayor Macrae made his report with  
reference to police appointments and announced  
the following: Chief, Wade Carey; cap-  
tain, S. C. Harkness; sergeant, J. C. Harkness;  
patrol driver, Ed McDonald; patrolmen,  
night force: Beswiler, Howling, Despaines,  
Fowler, Harkness, McDonald, Noyes, Day-  
ton and Sander; day force: Cusick, Dayle,  
Johnson, Kemp and Martin.

The clerk administered the oath of office.  
The bonds of each were approved on the  
exception of Mr. Bowlings, which was re-  
jected because the name of Alderman Mike-  
sell appeared as one of the sureties, but he  
was allowed to begin work and a new bond  
at the next meeting of the council.

Alderman Woods and Casper were added  
to the committee on streets and al-  
leys to assist in the Fairmount park litigation.

Mrs. Peter M. Welch appeared before the  
council and asked a reduction of assessment.  
Alderman Casper granted each alderman a  
deduction \$1 to pay her taxes, but it was con-  
cluded that if this course was followed up  
the call for donations would hardly meet the  
call for donations. The matter was referred  
to the judiciary committee.

Mrs. Hopkins had a similar complaint and  
that was also referred to the same com-  
mittee.

Grading estimate of Templeton & Morrow  
was ordered published.

Grading estimate of George Hulbert was  
ordered published.

The matter of street sweeping then came  
up and excited a lengthy discussion. It was  
the general expression that some plan should  
be agreed upon to get this work done. Al-  
derman Lacy favored having the Omaha  
sweepers show what could be done on this  
side, and also stated that a first-class four  
horse sweep was used for sweeping Broadway  
and Main streets and could sweep \$200. He  
said he would see if he could

not get them over here at once, and will visit  
Omaha today for that purpose. No definite  
action was taken in the matter.

Council then adjourned until a week from  
next Monday night.

The Park Litigation.  
The attorneys for the city filed a plea of

the Fairmount park case, asking that the  
case be dismissed and that the city should

quoted in the city. This document is

same has been conveyed to him by one C.
