The board of equalizers sitting in the city clerk's office is working away in the apportionment of damages occasioned by the building of the Tenth street viaduct. This will require considerable time, and until the work is completed there will be no expression from the property holders.

Walter & Gray, the skipping managers of the People's theatre, are reported to have all their baggage in Council Bluffs out of the reach of their employes whom they have defrauded of their wages. Monday they were in the city spending their money liberally preparatory to going to St. Paul. ## The Ability to Bear Pain

Is the test of fortitude among the Indian tribes. But we defy any Cherokee, Sloux or Comanche to endure the twinges of rheumatism without wincing. These, indeed, are slight at first, but grow in intensity until they become unbearable. No malady is more obstinate in its maturity than that which gives rise to them. The more need, then, of attacking it at the outset. Foremost among remedies for it is Hostetter's stomach bitters, safer and infinitely more effective, than col-chicum, veratrum and mux vomica, all remedies which might prove destructive of life in a slightly excessive dose. Mineral depur-ents, also, when not positively mischievous, are far inferior in remedial power to this salutary botanic medicine. In that year he came to Omaha where he acted as agent for a Chicago grain firm. In 1877 he formed a partnership with C. W. Lyman under the firm name of C. W. Lyman & Co. This arrangement continued but a short time and in the fall of 1877 Mr. Merriam succeeded Mr. Lyman and the firm name was changed to Himebaugh & Merriam and remained so until last August when a consolidation was effected with the Omaha Union grain company. Mr. Himebaugh was elected vice-president of the company, which office he held at the time of his death. He was also a member of the firm of Himebaugh & Taylor, the Omaha hardware company, was president of the Omaha real estate and trust company.

Owing to poor health Mr. Himebaugh had not been engaged in active business for several years. They Persuade Their Neighbors to

Try It. Dr. J. C. Anthony of Odell, Neb., says: "Chamberlain's Cough Remedy gives good satisfaction and is a big seller." The reason it sells so well is that people who use it find it so much superior to any other medicine they have ever used that they persuade their friends and neighbors to try it. No one troubled with a cough or cold can use it without benefit. It does not suppress a cough, ant loosens and relieves it, entirely freeing the system from the effect of a cold, and leaving it in a natural and healthy condition.
