intending to pay on time. On the 6th, after Sherman had returned to Lincoln, he returned the gun claiming that he had no money with which to pay for it.

Staubury soon after moved to Beaver City, Parnas county, where he now resides. Through Sheriff Seavey the gun has been returned to Chief Seavey.

Yesterday a young man named Kessler of Council Bluffs, who has known Sherman since childhood, identified him as the companion he formerly knew as Walter Whipple. A POLITICAL BOARD. The Fate of the River Commission Under Pettigrew's Proposition.

Ex-Mayor Braatch was asked what he thought of the bill of Senator Pettigrew of South Dakota, introduced in the senate at Washington Monday for an enlargement of the Missouri river commission.

It is quoted, however, that the proposition does not very favorably impress the ex-mayor, who is also a member of the commission in question.

As the commission now stands it is composed of five men—three army officers, who are practical engineers, and two civilians. They are Colonel Charles K. Suter, Major Alexander MacKenzie, Major O. H. Elnor, Prof. G. C. Croadhead of Missouri and W. J. Hertz of Omaha.

Senator Pettigrew proposed to add a representative from each of the two Dakotas, and Montana. This would give the railroad interests a good majority. That might, it is feared, cause the commission to do many things for policy that would not benefit the public.

The commission expects to visit Omaha in May and look after the work in progress near this city.

Indigestion

It is not only a distressing complaint, of itself, but by causing the blood to become depraved and the system enfeebled, is the parent of innumerable maladies. That Ayer's Sarsaparilla is the best cure for Indigestion, even when complicated with Liver Complaint, is proved by the following testimony from Mrs. Joseph Lake, of Brockway Centre, Mich.:

"Liver complaint and indigestion made my life a burden and came near ending my existence. For more than four years I suffered untold agony, was reduced almost to a skeleton, and hardly had strength to drag myself about. All kinds of food distressed me, and the most delicate could be digested at all. Within the time mentioned several physicians treated me without giving relief. Nothing that I took seemed to do any permanent good until I commenced the use of Ayer's Sarsaparilla, which has produced wonderful results. Soon after commencing to take the Sarsaparilla I could see an improvement in my condition. My appetite began to return and I was able to eat my food in my usual directions. I found myself a well woman, able to attend to all household duties. The medicine has given me a new lease of life."
