

When the Store Opens Tomorrow

Everything in all the various departments will be found to have been reduced to as NEAR NOTHING as any reasonable human being could possibly expect, and It Will be a Great Feast

But some things are bound to be SNAPPED UP

Quicker than others, so that to make the whole stock sell evenly,

Whatever Lags,

Will be cut down in price still further and further, and lower and lower

Until the Bottom Drops Out

or in other words,

Until

You Snap it up.
