THE COMBINE OF NAIL MILLS STRENGTHENS THE DEMAND FOR THE PROMPT PASSAGE OF THE NATIONAL ANTI-TRUST BILL.

The combine of nail mills strengthens the demand for the prompt passage of the national anti-trust bill. The new members of the senate are treading on dangerous ground in attempting to check the flow of oratory in that august body.

ACTUAL WORK ON ONE OR MORE OF THE PROPOSED EXTENSIONS WOULD BE AN AGREEABLE CHANGE FROM THE PRESENT MANIA FOR CONSTRUCTING RAILROADS ON PAPER.

ACTUAL work on one or more of the proposed extensions would be an agreeable change from the present mania for constructing railroads on paper. OUT of ten contested seats disposed of by the house elections committee, five were decided in favor of the democrats.

PAN-AMERICAN RESOLUTIONS FAVORING CLOSER TRADE RELATIONS WITH OTHER STATES OF THE AMERICAN CONTINENT ARE A WASTE OF INK AND PAPER UNLESS THE REVISION OF OUR TARIFF IS IN ACCORD WITH RECIPROCAL TRADE.

PAN-AMERICAN resolutions favoring closer trade relations with other states of the American continent are a waste of ink and paper unless the revision of our tariff is in accord with reciprocal trade. THE third party agitators want prohibition in California. They denounce the juice of the grape produced in the state as a thing of satanic origin, and incidentally express contempt for the old parties.

THE REPORTS OF THE DISTRESSING FINANCIAL CONDITION OF THE SANTA FE ROAD DO NOT HARMONIZE WITH ITS METHODS IN DENVER.

THE reports of the distressing financial condition of the Santa Fe road do not harmonize with its methods in Denver. If the company was willing to pay \$40,000 for the mayor's property together with his autograph on a right-of-way ordinance, it is safe to conclude that two-thirds of the council were made to see their duty with equally persuasive arguments.

JAY GOULD EXPRESSES HIMSELF PLEASED WITH THE EVIDENCES OF PROSPERITY IN THE NEIGHBORHOOD OF THE MISSOURI PACIFIC IN TEXAS.

JAY GOULD expresses himself pleased with the evidences of prosperity in the neighborhood of the Missouri Pacific in Texas. While the company has various important projects in love, he warns the Texans that the disposition manifested in some quarters to hamper railroads, if attempted in the Lone Star state, will curtail the well spring of corporate generosity and check prosperity.

CORPORATE SCHEMERS ARE WORKING DEPOSITARILY TO SECURE A LEGAL FOOTHOLD IN YELLOWSTONE NATIONAL PARK.

CORPORATE schemers are working depositarily to secure a legal foothold in Yellowstone national park. The franchise is evidently valuable enough to justify the maintenance of a lobby in Washington for months. It is probable, however, that congress will not commit an irreparable blunder in granting rights-of-way to railroads in the park.

THE KANSAS BOARD OF RAILROAD COMMISSIONERS DO NOT ADVISE WORDS OR MISDEEDS REFRAIN FROM ACTION IN DEALING WITH THE TRAFFIC.

THE Kansas board of railroad commissioners do not advise words or misdeeds refrain from action in dealing with the traffic. In a recent decision ordering daily passenger trains on a branch of the Missouri Pacific the board says, in a crisp, original style, the glaring evils and inconsistencies of railroad management.

CLOSING OF THE CONFERENCE.

CLOSING OF THE CONFERENCE. The deliberations of the Pan-American conference are practically ended, and a final adjournment is expected in a day or two. There will be difference of opinion as to whether the conference has been a success, and it may doubtless be maintained that all that was hoped for from it has not been realized, but it is certainly not true to represent it, as has been done, as a failure.

INCREASING IMMIGRATION.

INCREASING IMMIGRATION. At this season of the year there is the greatest activity in foreign immigration, and the fact is being used by the advocates of more stringent laws to urge additional legislation for the restraint of immigration.

ELDER SHEPARD'S CANDIDACY. For several years past the line has been more or less vague talk of nominating the gallant citizen-candidate for mayor. Citizens have smiled over the suggestion. But last evening this slayer of the juggernaut of the Sunday omnibus was actually put in nomination by the Eleventh District Business Men's Association.
