MELLEN MAY GO. Rumors Regarding the Fate of the Union Pacific Traffic Manager. The latest rumor from Union Pacific circles is that General Traffic Manager Mellen will soon tender his resignation. It seems to be based on the supposition that McKibbin's removal opens a breach between Mr. Mellen and Vice President Holcomb which leaves it

impossible for them to again work in har Mr. Mellen was one of McKibbin's strong supporters and expected President Adams to sustain him. The latter's action, therefore must have been a great disappointment. To ome of the older officials it was a surprise. McKibbin and Choate were both pets of his. So was C. M. Smith, general manager of the Pacific division, who, it is said, will be let out as soon as Mr. Adams reaches Portland. They have been advanced rapidly to the most important positions. McKibbin's successor took charge of the office yesterday. He has not, as yet, made any changes in the clerical forces. Mr. Mellen left for the east Wednesday night.

Let Out All Around: While J. K. Choate had control over the Union Pacific lines in Colorado he was also president of the Union Depot company at Denver. Since the former corporation con-cluded that it could get along without his services the latter has also let him out. In both instances C. F. Meck, general manager of the

Fort Worth & Texas, has been his Nemesis. At a meeting of the Union Depot company, held last Tuesday, Meek was elected to suc-good Chesta. The Rate War.

The rate war has finally reached Omaha. Today the Milwaukee road commences to sell tickets to Chicago at \$3 and the Burlington to St. Louis at \$5. These rates will be met by all other lines and it is intimated that the Rock Island will go even lower.
"I look for the cut to reach a \$1 basis before this time next week," said a Union Pacific man. "These roads have simply become desperate and don't propose to desist until there is a general ery from all interested that they have had enough and are willing that peace should be established in the organization of the new association. To some lines the fight means either life or death with the chances very largely in favor of leath."

cived instructions to quote a \$3 rate on Friday, consequently he is having a lot of on the outer walls.

Mr. Phillippi of the Missouri Pacific said yesterday that he had not heard from his people, but was satisfied they would put in the same tariff between Omaha and St. Louis.

Exercitains looks favorable for a short, when Everything looks favorable for a short, sharp, decisive battle. Strong efforts are being made, however, to keep it confined within the territory between Chicago and Missouri river points.

General Agent Nash of the Milwaukee re-

points. As the Burlington proposes to keep its Omaha-St. Louis cut rate out of Kansas City, by selling tickets via St. Joe and Hannibal, bad work is threatened should the Missouri Pacific attempt to meet it. "This," said a Burlington official, "would force us to also reduce the Omaha-Kansas City rate, which has always been kept up to \$6." Just What They Wanted.

says that the conductors have voted to abolish the strike clause in the constitution of the brotherhood. "This is considered." said a knight of the punch, "an considered, said a knight of the punch, "an unqualified victory for western members of the order. That is what we were mostly interested in having done. The action, however has no more reference, to Union Pacific conductors because of their present disputes with the company in their demands for more pay than those of any other road, I

Another Train Contemplated. The B. & M. people are talking of putting on another passenger train between Omaha and Lincoln. They say travel is becoming so heavy that the 10 o'clock train cannot accommodate it without more extra coaches than one engine is able to pull. If an additional train should be put on, it will be scheduled to leave here about 8 o'clock and return in the evening, leaving Lincoln probably at 4:30 or 5.

Horrible Classification. Western classification is so badly mixed that a meeting will shortly be held, probably in Denver, to try and straighten it out. There are many glaring inconsistencies in the rates Among other items mentioned, it is claimed that dried fruits are carried for much less

than canned goods, when fully three times as much of the latter can be placed into a car.

Constipation,

IF not remedied in season, is liable to become habitual and chronic. Drastic purgatives, by weakening the bowels, confirm, rather than cure, the evil Ayer's Pills, being mild, effective, and strengthening in their action, are generally recommended by the faculty as the

best of aperients.

"Having been subject, for years, to constipation, without being able to find much relief, I at last tried Ayer's Pills. I deem it both a duty and a pleasure to testify that I have derived great benefit from their use. For over two years past I have taken one of these pills every night before retiring. I would not willingly be without them."—G. W. Bowman, 26 East Main st., Carlisle, Pa.

"I have been taking Ayer's Pills and using them in my family since 1857, and cheerfully recommend them to all in need of a safe but effectual cathartic." John M. Boggs, Louisville, Ky. "For eight years I was afflicted with constipation, which at last became so bad that the doctors could do no more for me. Then I began to take Ayer's Pills, and soon the bowels recovered

their natural and regular action, so that now I am in excellent health."—S. L. Loughbridge, Bryan, Texas. "Having used Ayer's Pills, with good results, I fully indorse them for the pur-poses for which they are recommended." —T. Conners, M. D., Centre Bridge, Pa.
