FORD WILL BE SUED

C. E. Mayne Wants Him to Prove His Alleged Libelous Charge.

C. E. Mayne has returned from Sioux City whither he went Thursday by an appointment

on an important matter. He was asked what he was going to do regarding the assault upon him by Councilman Ford and why he had not made complaint

against him in the police court. "I'll tell you what I'm going to do. Here's my attorney. He is drawing up papers which will show you and every other person that I am not going to let this matter drop. I am going to bring suit against Ford for personal damages sustained through his assault and

also for defamation of character."
"In what court!"
"I haven't yet decided,"

"I haven't yet decided."
"You are a resident of Utah, are you not?"
Here Mr. Mayne's attorney interrupted and said that Mr. Mayne was a resident of California, where the principal plant of his enterprise was located, that at Ogden being

"Mr. Ford is reported as having filed a complaint against me for embezzlement. No such suit has been filed and I am going to show him that he can't prove anything of the kind against me. You don't know what they've done. Why, they've sued me for \$30,000 the whole amount of this bank trouble. You don't expect I'm going to stand such a thing as that and let this man hound me at his will. I'm going to let the whole thing get into the courts and let Ford show as much as he can. I'm going to show him and the people what he has to justify his assaults and abuse."

Mr. Mayne's attorney said that he had coked into the matter and was satisfied that here was nothing in the charges and that Mayne was being made the victim of persecution, and that he would probably file the

papers this afternoon. Thin and impure blood is made rich and bealthful by taking Hood's Sarsaparilla. It cures scrofula, salt rheum, all blood disorders,

A CHAIN OF STOCK YARDS.

San Francisco, Ogden, South Omaha and Sionx City are Included.

THE BEE of a few days ago published an account of the formation of a stock yards company in which all the leading members of the South Omaha company were interested. The enterprise seems, however, to be on a much larger scale than was at first state 1. It

is to be connected with the great yards at San Francisco, at which place there is now being constructed a packing house plant which will cost \$3,000,000. The Ogden branch comprises the leading of the Omaha vards are Messrs. McShane,

Paxton, Keith, Waixel and others.
Sioux City has now been brought into the scheme, thus making the chain with four large packing centers complete. The enterprise involves millions, the latest investors having on Thursday signed the agreement which Mr. C. E. Mayno will now take back to California. City people are J. E. Booge, A. S. Garretson and D. S. Hedges. These are among the leading and enterprising citizens and capitalists of that energetic town and all are interested in the packing houses and other indus-

SOLID INTO OMAHA.

The Milwankee to Run Its Trains Over the Union Pacific Bridge The Chicago, Milwaukee & St. Paul com

pany has finally completed arrangements to run all its trains solid into Omaha, commencing June 1. That was General Superintendent Earling's business here Thursday. He conferred with Fred Nash, Ed Dickenson and others about matters in detail, and prepared a time schedule for crossing the bridge. This is not ready to be made public.

The most that any one feels interested in knowing, however, is the fact that an event long desired will soon be realized. Next to come, and that very quickly, since

it has already secured track and bridge privi-

leges, will be the Rock Island.

The arrangements provide that both passenger and freight trains extend their runs into the Union Pacific depot and yards. Transfer of through passengers will continue Plans and specifications can be seen at Citizens' bank.

May II. diot:

Notice to Contractors.

Bids will be received for building a school house in District No. Fifty-two (52), Jefferson Precinct, Douglas County. Nebraska, on May

Transfer of through passengers will containe to be made, though fore awhile at least on the other side, therefore, a stop of five minutes will be made at the transfer depot. Until the joint temporary station on Ninth and Pacific streets is

ready for the Union Pacific to occupy, the Milwaukee will use the Union Pacific's present old cow shed for depot purposes.

The new time card on the Chicago, St. Paul, Minneapolis & Omaha will go into effeet tomorrow. The only change will be in the time of the Sioux City passenger, which will arrive at 1 o'clock instead of 1:30 p. m. The leaving time will be the same as now The new Omaha and Bancroft passenger train will make its first trip tomorrow. Leaving Bancroft at 6 a. m., it will arrive at 8:45. Returning it will leave the Webster street station at 5:15 p. m., reaching Ban-

Slashing the Rates. Missouri Pacific officials are forcing the rate war in great shape. Mr. Phillippi received a dispatch from General Passenger Agent Townsend yesterday in which he states that on Sunday they commence selling selling first class tickets from St. Louis to Pueblo at \$5, St. Louis to Denver at \$6.65, Kansas City to Omaha at \$2, St. Joe, Atchison, Leavenworth and Kansas City to Pueblo \$4, and Colorado Springs

\$5.65, Omaha to Denver \$7.65

croft at 8 p. m.

Since the Burlington and Missouri Pacific have agreed to make an advance in the Mis-souri river Denver rate May 24 to \$10.50, this cut has created quite a lively breeze among the passenger and city ticket agents of those two roads. They find some consolution, how-ever, in arguing that because of its round-about route, the Missouri Pacific cannot injure their Omaha-Denver traffic, and in order to preserve their local business they prefer to maintain the higher rate. The hottest fight anticipated just now in this section will probably involve the Missouri Pacific and Burlington between Omaha and

Kansas City. While Mr. Townsend quotes the rates from Kansas City to Omaha at \$2;

Phillippi cannot construe this as applying both ways. He has asked therefore that the general passenger agent authorize him to put in a rate of \$1. Omaha to St. Joe, and \$2 Omaha to Kansas City.

Mellen is a Fixture. A prominent Union Pacific official, one who claimed he knew what he was talking about, declared yesterday that there was absolutely no foundation for the rumor that General Traffic Manager Mellen has any intention of resigning. "I know, positively," he continued, "that Mr. Mellen will not resign. On the other hand, his salary has been raised,

everything he asked for was given him, in short, he is a fixture." Horsford's Acid Phosphate. Makes Delicious Lemonade.
