FIRE AND POLICE.

Business Transacted by the Board Last Evening. Cushing has presided at a meeting of the fire and police commission, but he was in attendance last night, and as soon as the body was called to order Officer Foley was called up to state why he spent fifty minutes in a switchman's shanty between 3 and 4 o'clock Friday morning. The charges were preferred by Sergeant Sigwart. Foley explained that he was in the shanty but seven minutes, and during that time he was merely

Chief Seavey again renewed his request that the police officers be graded as follows, as to pay: First class policemen, \$75 per month; second class, \$70 per month, and third class, \$30 per month.

The minority report of County Commissioner Anderson, as a member of the committee on construction, relating to the wind-up of the new hospital building matter, seems to have almost entirely escaped notice in the press of other matters which came up for

After citing numerous other incidents though not as strictly "interesting" as those given above, this minority report closes as

This change was made about the 18th or 19th of May. Archibald in the meantime sold Saunders county to a man by the name of Crawford for the sum of \$160 but Atkinson finding that Saunders county was valuable and more so than Sarpy, insisted to Archibald that Saunders was contained in his deed. The purchaser from Archibald then threatened his arrest and both Archibald and Atkinson having become dissatisfied with their bargain consulted an attorney, who filed in behalf of Archibald an information charg-
