AGENTS ON THE WARPAT.

Railroad Officials Still Jangling Over Pythian Tickets—Other Notes. The general passenger agents of western roads are having so much trouble among themselves that serious results may follow as a consequence of their deliberations in Chicago this week. When charges were made to Chairman Goddard of the association against the Union Pacific and Burlington in which they were accused of putting their Knights of Pythian tickets into the hands of scalpers, the longest, loudest, most desperate howl ever heard went up from Messrs. Lomax and Francis. They denounced their accusers so vigorously and in such forcible language that Mr. Goddard finally knew that he had better get out of there before he was killed. He finally recovered his equilibrium, however, and asked the two railroads in question for a statement showing the number of Pythian tickets sold by them in Colorado and Nebraska. These have been furnished, and the showing was hardly calculated to encourage business to justify any one in supposing that the scalpers did very much even though they may have had tickets in their possession. It is not likely that the two railroads will have any more trouble with delegates out of Denver. The Union Pacific fellows admit that three or four of their tickets were seen in the possession of a scalper, but the other hand it is said that these jobbing dealers had blocks of 250, 500 and 1000 marked "Burlington," issued to them by the Burlington road, but that they had never been purchased by anybody. While that sort of a story is given current circulation among the representatives of the lines in Chicago, it is not believed here but looked upon as being too absurd for respectful consideration. There is no questioning of the fact that the M. & O. road has a quite good number of scalped tickets, Burlington issue, and paid for them. "It is an issue of self-congratulation to me," said one official, "that I haven't the reputation like some men of being smart. Every time anything goes wrong west of the Missouri river J. E. gets all the blame for it. If the fact is that the tickets were issued by the Union Pacific, Northwestern, Santa Fe or Burlington, cuts a rate or does something it should not do, it is in Chicago get together and say, 'Well, Jack Francis is at the bottom of that.' The trouble is Mr. Francis is a little too swift for the whole outfit. He knows his business and drives the fellows who are jealous of him every day. "No, I hardly think this row will precipitate another rate war. There's no chance for such an outcome of the middle unless these roads that are always finding fault with somebody else deliberately kick over the traces and denounce rates.

Interested in our clearing sale of Boys' Clothing, which we commenced last week. We have done a very large business this season in our Boys' Department, carried an immense stock, and in consequence have more odds and ends left than usual. We propose to wind up this most successful spring season with a grand sweeping sale, and no matter how low the prices were before, they will be cut still more in order to accomplish our object. What we offer this week are the remnants of our best grades. Suits made from the finest qualities of cloths and finished as careful as the most expensive garments in the market. In the early part of the season only the rich can afford to buy such suits, but now the prices are cut so that they are within the reach of everybody. You can have now the finest suit for your boy, providing you can find a fit, for as little money as you paid early in the season for a medium grade suit. In our Shoe Department we have opened to-day another invoice of 25 dozen fine Patent Leather Shoes, of same quality as we advertised a few weeks ago at \$2.50. The first lot of these shoes went off like hot cakes, and was sold out in a few days. We were at first reluctant to handle them, as the manufacturer does not guarantee patent leather, consequently we could not guarantee them to our customers. But we have not heard of a single complaint about them, though we have made it our business to find out how they wear. They seem to give good satisfaction—in fact, some customers told us they are as good shoes as those for which they formerly paid \$6.00 and \$7.00. Try a pair, and indulge for \$2.50 in the luxury of a patent leather shoe. They are a nice thing for the summer, do not need blacking, and always look dressy and neat.

THE OTHER SIDE OF IT.

There is another side to the story of Marcus Mayer's alleged shabby treatment by the Burlington people in refusing to run his London Gaiety company special from Omaha to Chicago last Thursday. According to the railroad company's version Mr. Mayer had been informed before his arrival here that the regular train leaving at 9 o'clock would get him into Chicago the next day two hours before he would depart from here for New York. "We had advised," says John Carroll, "that the Grand Trunk would under no consideration give him a special train out of Chicago. What sense would there have been in our incurring the additional expense of running him special from Omaha for the sake of landing him and his company in Chicago at 10 instead of 11 o'clock, when he couldn't leave there before 3 p.m. The funniest thing about the whole business was Mayer's declaration to a crowd of men at the train that as soon as he reached Chicago he would go into P. S. Enstus' office, twist that gentleman's nose and walk out."

SCHOOL BOARD FIGHT.

THE SCHOOL BOARD FIGHT. SOUTH OMAHA, Neb., July 16.—To the Editor of THE BEE: An unfortunate contest in the school board at South Omaha is the source of much annoyance and bitter feeling. At the last election J. C. Carroll was elected, but Robert Funston contested his seat and the courts decided against Carroll. Mr. Carroll, who had been acting as secretary of the board, thereupon gave up his seat on the board and recognized Funston as his successor. The latter was also elected secretary and assumed the duties of his office. In the meantime Carroll consulted with his friends, especially Father Moriarty of the Catholic church, and within the time allowed by law for filing notice of appeal, did appeal, bringing up the contest for the board. This, of course, completely disorganized the board pending a decision of the district court. Just at this time it was important that the board should be in a position to do business, as the hard-worked teachers had not been paid their wages, and many of them had plans to spend their vacation among friends at a distance. As their warrants could not be properly signed owing to President Funston's refusal to recognize Carroll as the lawful secretary, the teachers were deprived of their money, were obliged to give up their cherished plans for recreation, and also held in suspense with regard to positions for the coming year. With a view to relieving the situation, a petition asking the court to take up the question and decide it once and for all, was presented to the court. It was met, but by the intervention of Carroll and Moriarty, a jury trial and the matter must be deferred to the September term. Superintendent Munroe then sued for his salary and the board guaranteed without pain or detention. The consequence has been a walkout at each meeting. At the last meeting, however, Mr. Funston, who is a gentleman proposed to step out of the picture for the time being if Carroll would do the same and thus permit the board to choose a secretary and transact business. Carroll, it is said, has agreed to these terms, swearing he was there to stay. A PATRON OF THE SCHOOL.
