## MINOR MENTION.

13

N. Y. P. Co Council Bluff's Lumber Co., coal.

Miss Bullard entertained the Omaha mandolin club Thursday night. There were fourteen initiations in the Mod-

ern Woodmen last evening. Teachers are already arriving to attend the

institute to open on Monday It is now expected that Jadge Deemer will be able to attend court on Monday.

The expressmen were busy yesterday after-noon bringing in the outfils of Chautauqua

J. R. Carrothers has been appointed deputy counsel of the state for the Modern Woodmen.

The costs in the case of Judge James against he dty were paid yesterday. The city paid them.

All of Eiseman's clerks and a large number of invited guests spent the evening at Lake Manawa last night.

The Jary in the Manker damage case re-tired at 6 o'clock instruight to consider their verdict, but at 11 had not arrived at a con-

At 9 o'clock last night word came from St. Bernard's hespital that Hall, the murderer, had grown very weak and was thought to be

During this hot weather the lake is receiving sweltering luminity in vast numbers. The popularity of the resort for swell evening and afternoon parties is increasing to avery noticeable extent.

Henry Campbell, who has for some time been ill with consumption, died at St. Bergforty-five years. The funeral was held last evening at 7000 o'clock.

The bill poster cases were called up in the **5** o'clock session at the police court last even-for and dismissed. The prosecuting wit-passes failed to appear and the records did not show that any informations had been filed.

There will be no more assions of the board of trade until October. The board will take a summer variation, but enough of the mem-bers will remain in town to assist in entertaining the delegates to the farmers' national congress.

The old steamer Bluff City, which has pumped millions of galloss of water upon fires in the past, has been hauled up to No. 3 eagine house for cleaning and repairs in the hope that mother and successful effort can made to sell it.

Marshai Templeton was presented yester day with an elegant baser made from the badget he had worn during his career as a fireman. It is a very handsome piece of work executed by Mrs. Arkwright and daughter. It will be on exhibition for some time at the marshal's office in the city building.

A special meeting of the Pottawattamic county Fruit Growers and Gardeners' asso dation will be held this Saturday afternoon at 2 o'Nock. A full attendance is desired of all persons interested in the proposed fruit and floral display to be made during the national farmers' congress in August, as the question of a palace will be decided.

Niné gasoline lamps cost as much as one 2000 candle power electric are light. The are gives nearly twice as much light and the council is wrestling with the problem how to distribute the electric beams over the territory now supposed to be illuminated by the The contract for the gasoline burners expires on August 1 and the problem must be solved before that time.

Ersest Barbeau, a young tough who has been in the police court a number of times, was fined \$11.95 last night for attempting to drown a young son of Motorman Huffin one of the ponds near the motor tracks east of the bridge. The young rascal would have accom-plished his purpose if the boy had not been rescued by some men who were fortunately attracted by the lad's cries.

The many friends of the Rev. Herman Menzwasser, paster of St. Peter's Catholic church, will learn with sincere regret that he will leave for St. Benedict's college at At-chison, Kan., in a few days. He goes there to accept a professorship in the Benedictiae in his throat

As Seen by Others.

A Des Moines correspondent in writing concerning the census of Council Bluffs gives ROUNDING UP THE SQUATTERS. the following figures which he gathered from

the state superintendent of schools : Persons between the ages of five and Mrs. Hall, the Murdered Woman, twenty one in the independent school district A Statement of the Ranning Exof Council Bluffs for the years 1889 to 1890 in-Laid to Rest-The Bluffs' Census clusive: 5,60, 5,41, 3,501, 7,244, 7,322, 7,512, Discussed in Des Moines-Clos-7,063, 8,624, 8,389, 9,409. It can hardly be ing of the Chastaugua. claimed that this report has been padded for tes years by the different secretaries of the The friends and acquaintances of George school board. If such is the case it has cortainly been done with great care and system A. Kellogg, one of the best known young and with commendable persistence. Taking these figures as accurate and using the multimes in the city are very much exordsed over hisstrange and unaccountable disappearance. Kellogg was the stepson of Scott Williams, a well known attorney of this city some time

pleof three and a half, which is thought by the state superintendent to be a fair basis for a dty containing so many foreigners with large families as Council Bluffs has, and being also a western dty where the number of old persons whose children are age, now Editor of the Chieftaia in Soreco, N.M. He worked for Jereniah Sullyan, the Broadway grocer, several years, then he grown is not as great by comparison as in older eastern cities, we find that the popula-tion in ISSO should have been 19,817. This west to the Ogden house; afterwards he acted as bookkeeper at the Windsor and Metnumber is a few hundred in excess of the population returned at that time. Three and ropolitan hotels in Omaha Then he worked in Lincoln and married Mrs. Lizzie one-half times the school population of 1890 gives 33,006 as the present population. Taking three as the numeral and you would Englehart, a widow with one child who had formerly lived in Chicago, have a population in 1850 of 16.950 and in 1850 of 29,257. This last figure is provably just about the present population of Council Bluffs. In 1850 at the city election the vote of Council Bluffs was 2,011. In 1850 the vote and whose maiden name was Hahn. Wherever he has been employed he is spoken of in the highest terms of praise, and all his friends sayhe is blessed with as happy dowas 3.811. Taking the increase in the school metre relations as any man could wish for. conneration and the increase in the vote to For some time past, or since his connection gether with the last state census and the

with the laundry, he has been living with his combined showing is not flattering to the figures given out by the present enumerators. wife in handsomely furnished apartments. over the Evans laundry at 724 Broadway. On Dr. H. S. West, porcelain crown and bridge work, No. 12 Pearl. Wednesday evening became home and ate his support as usual, and was even unusually kind

and affectionate to his wife. Immediately after the meal was concluded he arose and went down stairs, and appeared to be some-Enthusiastic Chautauquans. The Chautauqua has closed, yesterday what troubled. An hour or two later he re-turned and told his wife he had been taking being the last day. The programme advertised was followed with the exception of the a long walkand it had male him feel so much final assembly bible study, which came in better that he believed he would take another before retiring for the night. His wife of the forences instead of the afternoon, to perfered to accompany him, but he turned the conversation and soon appeared to have for mit Dean Wright to leave on yesterday's conversation and sconne deeply absorbed in gotten it, and became deeply absorbed in looking over the album and rearranging the pictures it contained. He then picked up the family hible and took from it all the phototrain.

The children's day programme was conducted by Rev. J. W. Geiger, and the certificates or diplomas were distributed among those who had taken this year's coarse in the normal classes.

In the afternoon there was a musicale by Rogers' band, after which came a very interesting lecture by Prof. Motte on "What Are our Eyes and Ears for P"

turned and kissel his wife with the most effec-tionate demonstrations and then abruptly left the room. This is the last that has been seen of him. He seldom remained away from home of evenings, and when late hours passed and he did not return Mrs. Kellogg became very uneasy. Later when she ex-mained the abrum and family bible and dis-compared that head three all the abstract of Last evening there was a final grand concert conducted by Prof. Case. The assembly band, Mrs. Wadsworth, the assembly chorus and otherstook part. The success which has attended this seahis relatives from both she was fearfully shocked and passed a night of dreadful sus-

sion of the assembly has caused great en-thusiasm, and there is every indication that great improvements and still greater success will result another season. The C.L. S. C. of the assembly proper held a meeting and elected the following officers: Colonell. W nothing to indicate where he had gone. She was told at the Cascade laundry that he had drawn his salary up to Wednesday evening elected the following officers: Colonel L. W. Tullors, president; Rev. Dr. Phelps, first vice president; Rev. J. W. Geiger, second vice president; C. H. Judson, secretary; George A. Joplin, chairman of executive com been there and they knew nothing of his whereabouts. Mrs. Kellogg is too much prostnated to answer inquiries from the re-

This circle is the assembly circle and by it are appointed the secretaries for the various counties naturally belonging to the territory tributary to the assembly here. The success f the round table, which was held daily broughout the session, was such as to give rise to a general expression in favor of enrging the work and throwing into it more enthusiasan than ever. Steps were taken toward securing a building, to be erected be-fore the next assembly, the building to be two better mated people in the city than George and his wife and there has not been the slightest trouble between them. They two stories, the first floor to be a have hall. surrounded by spacious versidants, the upper foor to be divided into rooms and offices for

the use of the various local circles contribut The Congregational folles are taking steps also for the crection of headquarters and the Methodists are planning on a like enterprise. It seems that there will be several such build-ings erected before another season opens. The assembly management is talking of building two halls for various uses. It has been decided that next year the as-

sioners today. The Indians agreed to the

terms proposed by the commissioners. They

Since his disappearance his books at both establishments have been thoroughly over-hauled, and all his financial accounts found sembly will open July 1 and continue three wooks, which will be three days longer than this year's session. There will be even greater attractions secured that these this to be straight and in good order. Kelloggis so well known that it is consid-

FROM THE STATE CAPITAL.

Politicians and Their Supporters Already Assembling in Lincoln.

HEADQUARTERS OF THE ASPIRANTS.

peases of the Public Schools for the Past Year-City News.

Lincoln, Neb. July 18-[Special toTHE Big. ] -The political headquarters of the various republican condidates during the republican state convention on Wednesday and Thursday of next week will be at the Capital hotel as usual. Already the manager and licatemants of the aspirants for high political positions in the gift of the state are on the ground prevaring for the great struggle. The leading officials at the state house, excepting Governor Thuyer, areall in a state of feverish expectancy and hard to find. Attomey General Leese has just returned

from his summer vacation.

During the state convention the Capital hotel will afford shelter to guests, as each candidate will be accompanied by twen ty-five to 125 supporters. The headquarters of the various candidates will be a follows:

State central committee, rooms 30 and 31, on first floor facing staircase. Governor Thager's headquarters, room 33. St. Reynor's headquarters, (candidate for attorney general) rooms 32 and 34.

Church Howe's headquarters, room 35, Jack McCall's headquarters, room 36, L. D. Richards, rooms 37 and 38,

Dr. S. D. Merer, candidate for governor, Captain Hill, candidate for reelection as

state treasurer, room 25 Tom Benton, rooms 26 and 27. M. Dilworth sheadquarters, rooms 73 and

Mr. Osgood's headquarters, rooms 12, 14

Mr. McNish'sheadquarters, room 45. Benjamla Cowdery, room 23. Tur Ber headquarters, room 45.

The following adjacent blocks and annexes are ready for the accommodation of the politicians: P. H. Ames' addition to the Capital hotel, Tenth street addition, Jones block anney and Leiwith block anney. A carload of cots has been ordered to be used in case of emergency.

THE ROCK ISLAND BRANCH.

The superintendent of the Rock Island says that the new branch of that road that is being built from Omaha to Lincoln will be completed by October and the rolling stock will be in operation by that time. This extension will connect the lowa lines with the southern lines of that system. Between Lin-coln and Beatrice the \_rs willrun on the Union Pacific.

A YOUNG SCIOUNDREL.

A 10UNG SCOUNDEL. C. W. Meley, a young fellow from Bur-bank, Dak, was arrested last evening on suspicion of being athief. He was trying to dispose of a small vise. It was learned from a newspaper dipping in his pocket that Melay is ayoung scoundred who pretended to have a bank at Burbank and to carry out his dishenest purposes had coasider-able bank stationary printed in which his name always appeared as president. By means of these he managed to defraud sev-eral persons out of their mony. eral persons out of their mony. LINCOLN'S SCHOOL EXPENSES.

The expenses of minning the schools of Lin coin during the past year amounted to \$134,000 and was divided as follows: Salaries of teachers, \$47,000; salaries of janitors, \$5,000; building, steam heating, etc., \$50,000; wheat house \$1,000; intersect on bonds school house sites, \$1,000; interest on bonds, \$1,000; incidentals, fuel, etc., \$15,000. LINCOLN SINGERS AT BEATRICE.

The members of the surpliced choir of Holy Trinity charch, tweaty-five in number, will leave on next Monday for the Chastanqua grounds at Bestrice, where they will go into neampment for ten days. On Sunday whe singers will unite with the choir of On Sunday week Episcopal church at Beatrice and render omespleadid choras and solo singing.

A NEW BANK.

The bank of Axtell has filed articles of incorporation with the secretary of state. The capital stock is \$25,000. The incorporators are James M. Sewall, Salmon C. Stewart and ROTEA NETES.

Agricultural Colleg · A fairs AMES, In. July 18. - Special Telegram to The Brn. ]-The board of trustees of the state agricultural college methers yesterday and this morning opened the bais for the exection of "Morrill hall," which is to be the new chapel library and scenic ballding of the college. The building will be quite moders in appearance, resembling an elegant private residence. It will be by far the hand somest building of the college group.

## Poisoned by Canned Fish.

RED OAS, Ia, July L-Special to Tak BER.]-G. Dennis, member of the city council, and his family, were poisoned last evening by eating canned fish and alle time very near dying. Physicians were working with them all night. Mrs. Dennisis still seriously ill, the others are recovering. The fish had been made poisenous by the tin.

#### Cattle Dying of Hydrophobia.

VILLISCA IA., July 18.-| Special Telegram to THE BEE.]-The state vetorinary surgeon has ordered 135 head of cattle owned by Mr. MeNuit, who lives on the Beal farm, Taylor county, quarantimed, is twenty head have already died of hydrophobia. Another fence has been miltaround the lot in which the cattle are confined, and the dead cattle barned. A mail dog bit two logs at the Car-lisle place near this town a few days ago and was not killed. One of the hogs went mad and died. There is no knowing how many azimals this dog may have bitten.

#### Lambertson Discharged.

BOOSE, Ia., July 18 .- Special Telegram to THE BEE -A. Lambertson, who was anrested for getting \$130 of Kate Shelly's money and some lumber from a dealer here by falsely giving his brother's same as his own, had a preliminary examination today and was discharged The case collapsed because the lumber dealer get mixed up in his statements

## Co.'s, 13th and Douglas.

A Novel Case Decided. CHEAGO, July 18 .- A decision was rendered by Judge Tuley today in a case involving a question said neverto have been passed upon before by a court. It was the suit of Openbeimer & Co. manufacturers of sausage casings in Chicago and New York, to prevent by injunction George J Sayre, a former employe, from going into the same business in Illinois and eighteen other states within three years from the date he ceased to be in their mploy. The consideration named in the contract was \$1. Judge Tuley decided that as a result of the modern methods of com-merce it made no difference whether the contract was as to one or more states, but that as the defendant was only employed from week to week he was made to agree for \$1 and employment for one week that the would mart-gage his liberty of action and practically his means of livelihood. The injunction was dis-

Bremen. The Death Roll.

CAMO, July 18 .- Eugene Schuyler, American consulgeneral here, died today.

John M. Stewart. EQUALIZATION SQUABBLE.

The city council hos been sitting as a board in order to raise certain assessments, and the result has been a most lively time. The causes of complaint are as follows: According to the assessments realty in the First one. ward has decreased \$39,410 and personal \$31,-500. In the Second ward realty has increased \$12,400 and personal decreased \$6,676. In the Third ward the realty has increased \$46,640and personal \$12,800. In the Fourth ward realty has increased \$41,600 and personal \$35,500. In the Fifth realty has increased \$34,560 and personal \$1,490. In the Sixth realty has decreased \$69,550 and personal \$1,400. The Seventh is not recognized by the

county commissioners and no figures are therefore given, it being included in the Sixth.

 Sixu.
The fire chief reports that from April 1, 1889, to April 1, 1890, buildings valued as fol-lows have been erected: First ward, \$28,-045; Second, \$111,400; Third, \$268,320; Fourth, \$418,920; Fifth, \$313,325; Sixth, \$406.350 : total increase, \$1,626.330. After squabbling over thematter until midnight the council adjourned.

PEOPLE'S INDEPENDENT PARTY

A meeting of the county executive commit-tee of the people's independent party was held in Lincoln last evening and a number of matters concerning party policy were dis-cussed. It was decided to divide the state delegation equally between the city and coun-try. The candidates are to be apportioned as follows: City, one senator, two representa-tives, one commissioner and county attorney. Country, one senator, three representatives and two commissioners. The apportionment by wards is as follows:
