DURING AUGUST

We must close out the balance of our summer goods. Fall stock is coming in and room must be made for it. In light weight men's suits we have not many left, but what there is we are ready to sacrifice and it will pay you to come in and see whether you can find anything to fit you. If you do you'll be sure to get it at less than half the worth of it. You will be astonished at the price fine suits are going at now.

Same thing in our Boy's Department. We are offering a few extremely fine suits of dark shades at prices you could not buy them elsewhere for double the money. The shrewd, careful buyer knows that the house which is always selling at close prices in the busy season. is also likely to give you the greatest bargains in the dall season of the year.

In our Furnishing Department, we have every day something or other to close out. To-day its a little lot of odds and ends in underwear, to morrow, some flannel shirts broken up in sizes. &c. On all such goods we make prices which will tempt you into buying whether you need the goods or not.

SPECIAL.

Commencing to-day we have reduced the prices of our two best brands White Laundried "Nebraska" Shirts as follows: The finest grade heretofore selling at \$1,25 will now be \$1.10, and the grade heretofore selling at 90c, will now be 85c. The quality of the shirts will be exactly the same as formerly, and the make will, if possible, be improved. We have during the past few seasons used such large quantities of these shirts that the manufacturer is able to make us concessions in the price, and as usual we give the benefit to our customers.
