THE INTER-STATE EXPOSITION.

Easy Seams in Building and the Coliseum Building.

The hum and buzz of hammer and saw is heard resounding day and night, throughout the Coliseum past year, as the army of hard workers are incessantly occupied with their arduous job of remodeling and improvement, putting the commodious structure in shape for the opening of the inter-state exposition. This arduous event will occur on Monday, September 22, and will be an occasion long to be remembered by all so fortunate as to witness the inaugural display.

Old patrons will experience some difficulty in recognizing the building, for, so extensive has been the improvement and work of embellishment that has been put on it within the past month, the building and entire management, Messrs. Koeber & Bellare men of judgment and discrimination, and in their hands this colossal project will be resulted in only the highest and most successful success. They are putting thousands of dollars into the venture and merit the most abundant assistance and encouragement at the hands of the commercial interests of the city and surrounding country.

The opening of the exposition will partake of the nature of a grand gala, and will be a fitting and fitting occasion. The Coliseum will be a magnificent structure, and the main entrance will be a masterpiece of architecture. The Coliseum will be a masterpiece of architecture, and the main entrance will be a masterpiece of architecture.
