Notary Public, State of Nebraska. George B. Tschuck, being duly sworn, deposes and says that he is secretary of The Bee Publishing Company...

Notary Public, State of Nebraska. The crop of senatorial candidates in Wyoming is not affected by the prevailing drought.

RAILROAD politicians are bracing themselves for a long, hard winter and thanking God that Lincoln has a new hotel.

SIDNEY DILLON's ascendancy in the management of the Union Pacific would be a source of joy and profit to the rivals of the company.

It is surmised that two men are preparing inaugural addresses for the edification of the Nebraska legislature.

DEMOCRATIC rejoicing over the prospective retirement of Senator Ingalls is decidedly premature.

SHOULD Jay Gould become the power behind the Union Pacific throne the debt extension bill would tumble into a premature grave.

The official returns of the election for delegate in Utah show a Mormon gain of six thousand to three thousand liberal in two years.

ACCORDING to friendly accounts, Ret Clarkson is again deluged with flattering offers to engage in business in various leading cities.

"I AM commissioned," exclaimed Cleveland at the "Old Roman" banquet.

The police of Leavenworth are entitled to the thanks of the local democracy.

OF THE many causes contributing to the recent panic in Wall street, the alliance movement was a leading factor.

IN view of overtures being made by the democrats of Nebraska to pool issues with the alliance, the opinions of eastern party organs regarding the union will prove interesting.

AMERICAN CITIZENSHIP. This was the sentiment to which the Hon. Grover Cleveland responded at the Thurman banquet in Columbus, Ohio.

THE people have repudiated the Twenty-eighthers twice by decisive majorities, and they will do so again.

THE real estate exchange is steadily approaching a business basis.

Mr. Brice as a Humorist. Calvin S. Brice has entered into the race for the presidential nomination.

Not Quite Everything. The last year the crop of the country was twenty-six bushels to the acre.

The Boastful Bourgeois. The democratic candidate in Kansas and Nebraska, yet in truth they have absolutely nothing.

Ken's Brief Biography. It must be very many semblances of a dream—a sort of stupefying exhilaration—for a fellow who has trusted along all his life, seeking office first in this party and then

A TIME FOR STUDY.

A large majority of the members-elect to the next legislature of Nebraska have no practical knowledge of law making.

It is a notorious fact that bad leadership and ignorance of legislative usage are responsible for useless or vicious legislation in most of the states.

The men of this class who have been elected to the Nebraska legislature should endeavor to study the manuals and previous legislative records.

STAND FROM UNDER. The growth and prosperity of Omaha during the next two years will depend largely on the character of the men chosen next month to manage city affairs.

IT is an open secret that Councilman Olson has never had much in common with the combine and is not at the present time co-operating with the efforts of Tammanyites to keep themselves in control of the council.

THE transfer of the Armour interest in the Omaha packing industry to Mr. Cudahy insures an immediate increase in the capacity of the plant and the prosecution of other improvements held in abeyance pending a division of the company's affairs.

WHILE the council displays a spasm of energy in the erection of new engine works, it is significantly silent on the vital matter of extending the fire limits.

THE experience of the Indian bureau in civilizing Sitting Bull provokes sighs of regret that the government did not transform him into a genuine "good" Indian when his crimes cried out for vengeance.

A THOROUGH reorganization of the council is demanded by the best interests of the city. The boodle element must be stamped out.

Ken's Brief Biography. It must be very many semblances of a dream—a sort of stupefying exhilaration—for a fellow who has trusted along all his life, seeking office first in this party and then

for the people outside of the banquet hall, who would be reached the next morning by the press of the country, rather than for those who were his immediate auditors.

Dictator Burrows' Opportunity. If the legislature goes into the counting out business it ought not to stop short of the entire shooting match.

A Monopoly Knocked Out. It is not exactly according to the ethics of polite warfare to kick a man when he is down, but Judge McConnell's recent order of ouster against the Chicago gas trust is the final blow by the people at a badly disgraced antagonist.

LET THEM VINDICATE SIDNEY DILLON. And now comes the report that Sidney Dillon is to be reappointed president of the Union Pacific road as a vindication of his former management.

ELSEWHERE in this issue THE BEE prints the complete official vote of Douglas county as canvassed by the county board.

THE shoemakers of Saxony and Bavaria to the number of 3,000 are on a strike over a question of wages and hours.

THE miners' federation in Great Britain, which is said to have 150,000 members, is about to demand an advance of 5 per cent.

THE Greek church, in its warfare with the pope, has just borrowed from the west and put into perilous activity an ecclesiastical weapon which has been obsolete since medieval times.

CANDIDATES' EXPENSES. What an Election Costs a Man in New York City. New York, Nov. 14.—(Special Telegram to The Bee.)—In New York there is a law compelling candidates to file statements of campaign expenses. Until today the figures have been nominal. Mayor Grant made his election cost him only a few hundred dollars and his defeated opponent, Scott, paid less than a hundred. Today's statements, however, were more interesting.

UNITED STATES COURT. Morning Session Devoted to Memorial Services to Justice Miller. In the United States court yesterday morning's session was devoted to the reading of the memorial and resolutions on the life and death of Chief Justice Miller.

Mr. James W. Wells, who for many years has been prominent in the railroad surveys, has recently supplied some interesting facts with regard to the lines which Brazil is now extending many hundreds of miles into the hitherto almost inaccessible interior.

NEBRASKA AND PROHIBITION. New York Mercury: Nebraska voted last Monday upon the question of constitutional prohibition and the result was a narrow victory for the prohibitionists.

THEY TALK OF BLAINE. New York Herald: Mr. James G. Blaine alone can afford to smile. In the profound recesses of his heart, there is hidden a good deal of resentment.

DOWN IN SOUTH AMERICA. The following interesting letter was received today by Secretary Nason of the board of trade from his son, Dr. George L. Nason, who has gone to Central Guatemala City, October 29.
