

THE CITY.

The meeting of the board of health which was to have taken place yesterday forenoon was postponed for one week.

Ben Smith will soon commence the erection of a seven-story building just east and adjoining the Merchants' National bank.

The funeral of the late Officer Peter M. Lee took place yesterday afternoon from the family residence, Twenty-second and Cuming streets. The interment was at Forest Lawn.

The new Hotel Dellone, at the corner of Fourteenth street and Capital avenue, has been leased to Chauncey W. Reed, who will have it in readiness to open about the middle of January, 1891.

The receipts at the custom house yesterday consisted of 390 bags of ground ore from Canada, consigned to Goble & Miller. The ore is used for preparing a cement of which waterproof roofing is made.

The superintendent of buildings yesterday issued a building permit to Bolto Dunham, authorizing him to erect a one and one-fourth story frame dwelling at Thirty-ninth street and Grand avenue, at a cost of \$1,500.

Mr. I. M. Hay and wife of Chicago are in the city as prosecuting witnesses in the case of the United States against "Dr." Harlowe Davis and his wife, who are charged with sending obscene and scurrilous matter through the mails.

The inquest over the remains of Spanstad and Millicek, the men killed in the B. & M. yards Saturday night, was held yesterday afternoon. A number of witnesses were examined, whose testimony elicited the fact that the two men were trespassing upon B. & M. property at the time of the accident, and a verdict was rendered to that effect.

Bargains in Standard Pianos. One Knabe, largest scale. One Chickering, largest scale. One Kroeber, largest scale, new. These pianos have been used slightly, but just as good as new, and will be closed out at figures never offered before in the west. MAX BRYER & BRO. CO.

Board of Public Works. For the first time in many weeks all of the members of the board of public works attended the meeting yesterday afternoon.

After a little skirmishing over the question of prizes, the following estimates were allowed: Fanning & Slavin, grading Tenth street from Cassel to Bancroft, \$2,666.50; Samuel Katz, grading Jones street from Selma to Pleasant, \$31,774; Lane & Brothers, Cuming street at South creek, \$24,150; Barber asphalt company, paving Davenport street from Thirty-second avenue to Thirty-first street, \$3,875; F. L. Reeves & Co., sewer estimate, District 118, \$1,398.31; McGarved & Dalley, constructing sewer in Thirty-seventh street between Farnam and Dodge, \$78,135; J. O. Corby, putting in catch basins, \$303.75; Barber asphalt company, resurfacing curb on various streets, \$71,411; F. L. Reeves & Co., constructing sewer in Pleasant street from Jackson to Dodge, \$1,579.20; final estimate of Ed Callahan for filling lots in Hawthorne, Hartman's and other additions, \$7,389.56; Ed Fielon, sloping banks, \$1,462.50.

For Derangement of the Liver. Use Dr. Horsford's Acid Phosphate. Dr. O. Y. Cilley, Boston, Mass., says: "I have used it extensively and with the most remarkable success. I give it in dyspepsia and in all cases where there is derangement of the liver and acidity. With my patients it has agreed wonderfully."

Mortuary. Leo Kinney, the two-year-old son of Thomas D. and Mary Kinney, died Sunday morning and was buried in Holy Sepulchre yesterday morning. The sudden death of the youngest member of the family was a severe shock to the parents and to the many sympathizing friends who followed the remains to their last resting place.

Word has been received here of the sudden death at Los Angeles, Cal., of Mrs. T. M. Leonard, formerly Miss Grace Withnell. The deceased was the daughter of Mr. Richard Withnell of this city and had lived in California but a short time. The cause of her death has not yet been ascertained. The remains will be brought to this city for interment.

James Moran died of neuralgia of the heart at Kankakee, Ill., Friday morning last, while enroute from Maysville, Ky., to this city. He was a brother of M. J. Moran, the railroad contractor, and was buried this morning from the Holy Family church. Mr. Moran leaves a family consisting of a wife and five children, who reside corner Twenty-fifth and Charles streets.

Weather Probabilities. For December—Indications point to cold, frosty weather. That, however, will make no difference to those who travel in the steam-heated and electric-lighted, limited vestibule train which is run only by the Chicago, Milwaukee & St. Paul line, between Chicago and Chicago. This elegant train leaves Omaha at 6:10 p. m., arriving in Chicago at 9:30 a. m., in time to make all eastern connections. For further information apply at ticket office, 1501 Farnam st., Omaha. E. United States Court.

The trial of the case of Thomas Lynch against the Union Pacific railroad was commenced in the United States court before Judge Dundy yesterday afternoon. Lynch is suing for \$1,000 to recover payment for the loss of his right arm. Last November Lynch was employed by the railroad company as a section hand near Cozad. He and a friend took a hand car and started for a neighboring town, intending to lay in a supply of groceries. While they were enroute they were run into by one of the company's trains, and as a result Lynch now carries an empty sleeve. As a defense the company allege that at the time of the accident, Lynch was not in the discharge of his duty; that he was a trespasser and has no right to recover damages.

The long winded railroad case that has been on trial before Judge Caldwell for several days was finished and submitted yesterday afternoon, but as there is a great amount of testimony to examine, a decision will not be handed down for several weeks.

District Court. Before Judge Dundy the case of Robert P. Hamilton against the city of Omaha was commenced. The plaintiff asks for \$2,000. He owns a lot on Thirty-first street near Mason. A couple of years ago the grade of Thirty-first street was established, after which he raised his lot to grade and built a couple of houses. A year later the grade was changed, when Mr. Hamilton found himself several feet below the street line, and now, to get even, he asks the city to pay him what it will cost him to fill in his lot and elevate the houses.

Marriage Licenses. The following marriage licenses were issued by Judge Shields yesterday: Name and Address. Age. 1 Ben A. Farmer, Omaha, 25. 2 Dora Anderson, Omaha, 22. 3 George Embley, Omaha, 25. 4 Mary A. Watson, Omaha, 22.
