THE NEWS IN THE BLUFFS.

Plans to Facilitate the Business of the District Court.

AN IMPORTANT MEETING OF ATTORNEYS.

The New Driving Park Association's Contemplated Improvements—Looking After the Boys—Minor Mention.

The slowness which has characterized the present session of the district court has caused much dissatisfaction among the lawyers and their clients who are awaiting for their turn to come. The court convened on the 13th, but so far only the work has been done which had been assigned to the first four days of the term.

A meeting of the bar was called in the court house yesterday morning to consider the advisability of extending the time to be devoted to equity cases from four to five weeks. After considerable discussion a vote was taken and a majority of the members voted in favor of extension.

It is thought, however, that the change would be a good ground for the granting of new trials in the cases which might be tried in the week. It is thought, however, that the extension should not be made. This will probably necessitate the postponement of a large part of the equity calendar until next term.

The greater part of the day was then devoted to the trial of the case of Lodge & Henry vs. Butler, which was resumed. The trying of law cases will be begun next Monday.
