Kilgarn, who has been trained by Muldoon, was in the form, betting ranged in his favor. DUN'S REVIEW OF THE WEEK.

The Money Market Slightly Disturbed by Foreign Influences.

A GOOD OUTLOOK FOR THE FARMERS.

There is a General Improvement in Trade and in Many Cases is Better Than Last Year.

NEW YORK, March 13.—[Special Telegram to The Bee.]—R. G. Dun & Co.'s weekly review of trade says:

Foreign influences have again disturbed the money market a little and increased the prevalent conservatism of feeling. Directly, the effect here should be slight, but it is impossible to say how the already strained condition at London may be affected, and a serious pressure at London would be felt in the sale of securities.

The prospect for new railroad building and re-opening for rail production is not helped by the monetary situation, and stocks have been considerably weakened. But there is more active speculation in heavy stocks, pork and cotton, which have all advanced, and the outlook for farmers has rarely been better at this season than now.

Of the great industries, mostly iron and steel and cotton, the outlook is not so bright. The iron and steel industry has produced a remarkable string of gains in the output of iron. The weekly output of all forms of iron, March 1, was 1,011,131 tons, a decrease of 15 per cent in the week ending March 1, 1890.

CHILL'S BLOODY REVOLUTION.

Another Battle Fought in Which the Rebels Were Defeated.

THE DEADLY WORK OF BOMBARDMENT.

Men, Women and Children Killed During the Siege of Port Corcoran—Many Prominent Prisoners of War Executed.

NEW YORK, March 13.—The latest letter giving details of the rebellion in Chili has been received from Santiago, dated February 11. It says:

A bloody battle was fought at Pisagua. The rebels were defeated, having forty killed and thirty-four wounded. The government continued to excite all persons in any way inclined toward the rebels. Both natives and foreigners are suffering. Several German and English merchants have been given thirty-six hours in which to leave the country, and all those who do not wish to be listed among the banished have already departed.

The main building of the asylum is now on fire and the inmates are escaping. Governor Buchanan has ordered out the state troops to aid the authorities and has left for the scene on a special train.

Two Big Fires in Chicago.—CHICAGO, March 13.—The wholesale drug house of Hamilton, Keckley & Co., on Lake street, was burned, valued at \$100,000 by fire at an early hour this morning. Hadley's theater was also slightly damaged. For a time there was almost a panic among the guests of the Sherman house, but the fire did not reach the hotel.

Floods in Chile.—SANTIAGO, Chile, March 13.—The floods in Chile, which have been burning for some time, have now subsided. The government has ordered that all property on a grand scale is being resorted to by the government.

Port Corcoran was bombarded by the rebels. The people fled to the heights for safety, while some took refuge in the railroad station. The station was bombarded, but a company of soldiers, and before anyone could escape the rebels were driven back.
