# INVESTIGATING A SUSPICIOUS DEATH.

#### A Crook's Deal in Cattle-Capture of a Beatrice Burglar-Meeting of the Nebraska Presbytery -State News.

ARAPAHOR, Neb., April 11.- Special to THE BRE. ]-James B. Murray, dealer in hardware, barness and furniture of this place, has failed for about \$20,000 or \$25,000. He preferred only one claim of \$8,100 at this place, which was held by the Bank of Arapahoe, mortgagee. Filing the preferred claim, which was secured by chattel mortgage, precipitated the crash. Omaha, Council Bluffs. and St. Joseph are the heaviest losers. Some of the creditors have garnisheed and attached the bank subject to its lien. There is a strong probability that the stock of goods will be attached and that the bank will have to prove the validity of its claim as some of the creditors claim fraud. The stock of goods here will invoice about \$12,000. Murray had a branch house at Otis, Colo., and one at Hayes Center, Neb. The Otis stock of goods he had transferred to A. Clute of that place. The Hayes Center stock of general merchandise was taken possession of by H. V. Arrowsmith, general agent of the Pacific express company of St. Joseph, under a chattel mortgage for \$5,000. The stock of goods at that place would probably invoice a triffe more than that sum.

He gave his accom-plice the alarm and they fled just as a sale of the cattle was about to be made.

# Shot to Death in Their Cells.

SEALAND, Wash., April 11 .- Forty masked nen broke into the jail here this morning and shot to death John Rose and John Edwards. who were convicted of the murder of Hans Fredericksen and his wife about a year ago. The men were confined in jail awaiting a new trial. The murder was committed for the purpose of obtaining possession of the land on which Fredericksen fived.

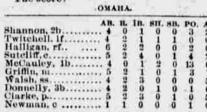

Them the Lambs came in, and on a con-catenation of decomposed errors and daffodilhued blunders Shannon's men piled up five runs big enough to work on the road, and in the second they plunked four more on top of them. But it would be a waste of space to detail

the carnage. Suffice it to say the Farmers took to the woods after this inning and were only in the game in name afterward. "Old Cy" Sutcliffe, Joe Watsh, Halligan and Dad Clarke hit everything in sight, while Jimmy Donnelly played as magnificent a third

as was ever seen on any field. His neat pick ups, lightning throws and general matchless agility were good for sore eyes. But all the boys played finely, and the few errors that were made were excusable and Clarke could have held the Farmers down to a few scattering hits, but the game was a

budding, stuffed with raisins, and Captain Shannon ordered him to "let 'em hit her, we want to get up a sweat," and at divers times Dad obeyed the mandate. The bruised and bleeding Farmers will be

here this afternoon, and don't yod fail, if you want to see a circus, to go to see them try to play bail. Today's game decides which club takes the whole gate receipts. The score:

### Mockett Won the Race.

LINCOLN, Neb., April 11.-[Special Tele-gram to THE BEE.]-When the great six-day bicycle race ended tonight E. E. Mockett was in the lead. The race has been throughout a most exciting one, and the competitors unusually well matched. Tonight every byker, evidently, had made up his mind to win the prize, and the way the wheels went whizzing

around the ring fairly-made the heads of the auditors swim, as they attempted to watch them. Wertz and Flescher were in splendid condition tonight, and about 9:30 they each made a splendid spurt, and gained a lap, catching

up with Mockett and Mears. The two latter named gentlemen became very weary thereafter, and though Wertz, Flescher and Clark attempted to pass them they still held their own. The score for the twelve hours is as follows: Miles. Laps.
