

THE CITY.

Minnie Woods was yesterday adjudged insane and will be sent to the asylum. Joe Keyser, alias Weisinger, is in jail for stealing a pair of shoes from William Blair. Drop that preparation which causes the eruptions on your face and use only the purest and best of toilet articles. Spanish court face powder, sold by all druggists. Fred Siv, a notorious young crook, was sent up for sixty days by Judge Helsey. He is an inveterate thief and the fiat has gone forth that if he stays in the city it shall be in jail.

LAU SUI QUONG'S FUNERAL.

Impressive Ceremonies Attending the Burial of an Omaha Celestial.

HEATHEN AND CHRISTIAN RITUALS.

The Body Covered With Chinese Prayer Tickets and the Sermon Preached by Christian Ministers.—A Peculiar Service.

Lau Sui Quong, a Mongolian, who came to Omaha recently from Norfolk, died Sunday morning at 10 o'clock of cholera. The funeral services were held at 11 o'clock Monday at Rock Springs, Wyo., after the Chinese burial rites and the services of the Christian church had been duly performed. The deceased Chinaman came to Omaha about two months ago, and had been stopping with two nephews who keep a laundry on North Sixteenth street. He had been sick for a long time with consumption. The body was taken to Burke's where it was prepared for burial. Yesterday morning the two nephews of the dead man appeared at Burke's, accompanied by a number of their countrymen. They proceeded to go through the usual ceremonies of their country and produced a large basket containing a roast chicken with the head and feet attached, a large piece of boiled ham, several bananas, a piece of cheese and a bar of common soap. All these articles were arranged upon a paper spread upon the floor beside the corpse and the whole party then knelt around the body and the minister, who was seated in a chair near by, began to read from the scriptures. This service was much for Mr. Bryan who sent a paper and was turned to find the man who had tried to rob him sitting in a chair near by enjoying a rest from his labors. This shock was too much for Mr. Bryan and he rose and left the room. He had not seen the man who had tried to rob him and he had not seen the man who had tried to rob him. The funeral service was held at 11 o'clock Monday at Rock Springs, Wyo., after the Chinese burial rites and the services of the Christian church had been duly performed.

HAD HIS NERVE WITH HIM.

Bold Attempt of a Highwayman to Rob an Omaha Man.

Ben B. Bryan, the commission man, was the victim of a daring attempt at highway robbery Saturday evening. The attempt at robbery was made on the platform of the Milwaukee sleeper in the yards at Council Bluffs. Mr. Bryan was on his way to Chicago and was standing on the sleeper platform when the train left the transfer depot. Just before reaching the Milwaukee local depot a well dressed man appeared on the platform and ordered Mr. Bryan to throw up his hands and pass out his cash. Mr. Bryan was standing with his hand resting on the button of the porter's bell and, without knowing it, called that individual whose unexpected appearance led the would-be robber to leap from the car and seek a hasty retreat. Mr. Bryan did not give the matter much attention until the sequel, which came Monday, furnished another striking illustration of the robber's boldness. Yesterday evening Mr. Bryan had just been telling a friend of the occurrence, at the Crystal hotel, when he turned to find the man who had tried to rob him sitting in a chair near by enjoying a rest from his labors. This shock was too much for Mr. Bryan and he rose and left the room. He had not seen the man who had tried to rob him and he had not seen the man who had tried to rob him. The funeral service was held at 11 o'clock Monday at Rock Springs, Wyo., after the Chinese burial rites and the services of the Christian church had been duly performed.

The Switchmen's Troubles. General Manager Holcomb has received telegrams from Chief Newman of the Trainmen and Chief Clark of the Order of Railway Conductors, stating that Chief Sweeney of Switchmen had no authority to speak for their men in the recent Burlington trouble.

Mr. Gould and Party. Mr. Gould and party and General Manager Clark were in Texas Monday and Mr. Clark is expected in Omaha hourly. It is the opinion of railway officials that Mr. Gould will return to New York via the Richmond Terminal and the southern route and will not come to Omaha until after the election.

All for Sixter. How much money have I got in my bank? Forty-five cents, twenty cents, about five cents more. What will I do then, stranger? Why you see, sister, such a terrible cough, and people say it will be here for life. I don't get better soon, and the folks say that Haller's sore cough syrup will cure it right up; so you see—five cents! Thank you, stranger.

Another Charge Against Newman. Easmus Jensen, one of the "bashers" who was injured in the riot at the Cretion shoe-house, has filed a complaint against the policeman Jesse Newman for assault with intent to do great bodily harm. Since his resignation from the force Newman has associated himself with Frank Bellamy in the saloon business.

Haller's barb wire filament has met with extraordinary favor, and cases pronounced incurable have been treated with success. Every farmer should keep a bottle of this purely vegetable remedy, ready for instant use.

The River. Several good sized ponds have made their appearance on Cut-Off island since the last rains, and there appears to be every indication of high water, but the gauge of the signal service shows that the water in the channel of the river is only 2 1/2 feet above the lowest water mark now.

The Herald establishment was moved from Farnam street to Harney and 18th streets, leaving the old quarters at Harney street (lower) only. I sold the lot and building, and all three stories, in 1888. The fourth story was added in 1887 and with its construction neither Dr. Miller or myself had the slightest connection.

No grifting, no nonsense, no pain when De Witt's Kidney Pills are taken. Small pill. Safe pill. Best pill.

Mr. Richardson's Statement. OMAHA, April 14.—To the Editor of THE BEE.—In your issue of this morning Mr. James Stephenson says through a reporter that as a member of the city council he was tested against the addition of a fourth story to the old Herald building, but that Dr. Miller and others prevailed against him in the council and got the permit.

M. James Stephenson is entirely mistaken. The Herald establishment was moved from Farnam street to Harney and 18th streets, leaving the old quarters at Harney street (lower) only. I sold the lot and building, and all three stories, in 1888. The fourth story was added in 1887 and with its construction neither Dr. Miller or myself had the slightest connection.

No Contract Alike Labor Here. "As far as Swift & Co. is concerned, there is no truth in the published statement that alien contract labor is employed, if this plant be alluded to," said Superintendent A. C. Foster. "I know of no such labor employed at South Omaha and do not believe there is any."
