A suit was commenced in superior court last evening in which C. H. White, deputy was acting in the capacity of attorney for the Evanses. This reflection on the upright-ness of Mr. Ross was a source of deep marshal, is plaintiff, and Pottawattamie county the defendant. The suit is for \$150 chagrin to that gentleman, and consequently when the evidence of the parties was taken, he took considerable trouble to put himself fees as deputy marshal, for the serving of papers which were issued from Justice right before the court and the public. Henry, the plaintiff, was put on the stand, and swore that he had been told by certain Schurz' court during September, October and November of last year. The claims were submitted to the board of supervisors, but were not allowed, from the fact that White was a deputy marshal at the time, and it was claimed that he had no right to draw fees from the county. Emmet Tinley and E. Schurz are the attorneys for the plaintiff.

In the superior court the case of D. C. Red. moud and William Siedentopf against Godfrey Partridge was on trial yesterday. The suit is over the ownership of a tract of land, several thousand acres in extent, about ten miles north of Council Bluffs on the banks of the Boyer river. The plaintiffs allege that they are the owners of the land, and that it is covered with woods, which the defendants are cutting down, to the great damage of the land. They ask that their title be quieted, and that the defendants be enjoined from cutting down the forests. The defendants on their side claim that the land is theirs and that they have been damaged to the extent of \$500 by the attempts of the plain-tiffs to get possession of it. They ask for damages to that amount and also that the title be declared to rest in them. The case has been tried once before.
