Walsh and Shugart Play a Great Game-Lincoln Bats Out Her Victory at Milwaukee-Other Results.

Sr. Paul, Minn., May 5 .- | Special Telegram to Tue Bee. - Twenty-five hundred enthusiastic Minneapolitans and a brass band turned out this afternoon to see the Millers give the Omaha aggregation a thrashing, but they Tailed to see what they turned out for.

The Nebraska sluggers opened right out on "Slivers" Mitchell at the very outset in a most heartless manner and smashed the leather right, left and center, and Shannon put in a home run for good measure. The hits, too, were put well together in the early

The Flour City men rallied a little in the first three innings, but failed by one run to catch up with the visitors. For the next three innings it was nip and tuck, with plenty of hits by both teams, but none of them were productive of runs.

In the seventh inning, however, the Omahogs came up smiling and wielded the ash offectively for four runs, ample to settle the game in their favor. Then in the eighth inning they humiliated the Millers by adding a couple to the string.

Halligan jed the visitors with the stick knocking out a clean single tour times out of five at the bat. The hits of Shannon, Griffin and Sutcliffe were also very timely. For the locals the hitting of Minnehan was the feature. The fielding of both teams was generafly rapid, clean and accurate. The double play of Walsh, Shannon and McCauley was an especially pretty piece of work.

The shortstop work of Walsh and Shugart

was the finest ever seen in Minneapolis. Be tween them they accepted twenty out of twenty-one chances. Score: MINNEAPOLIS.

Kansas City Still Losing. Sr. Patt, Minn., May 5.-St Paul and Kansas City opened the baseball season here today in the presence of 2,000 spectators. The day was cold and caused the contest to be long drawn out. The home team took the lead and the visitors were never in reach at any time. Sowders retired at the end of the fifth, being very wild. Weber taking his place, but the latter was wilder still. The features of the contest were St. Paul's base running and Hamburg's batting. Hart, though hit hard, was effective at critical times, and sharp fielding by the home club held the score down. The visitors' errors were more costly than those of the home

PIERRE, S. D., May 5 .- Special Telegram THE BEE. |- The president of the Young Men's republican club of South Dakota, W. D. Since the adjournment of the egislature nothing has been beard from the club until a short time ago when a number of those who had made subscriptions last win-ter were drawn upon by Olney from Moline, III. A number of state officials here at the capital being presented with such drafts re-fused to pay them and at once wrote Olney fused to pay them and at once wrote Olney at Moline asking him what it meant.
