HOUSE FURNISHING GOODS

Garden Hose.

We will sell you a Green Hose at 10c per foot. This is not made of a lot of old rags with a thin covering of rubber. The friction on this hose is capable of standing 80-lb pressure, and at the end of the season will be as good as at the beginning of the season, and will be so for several years. If you should burst a length we will refund you your money. This hose has never been sold any less than 17½c per foot. All we were able to obtain of this hose was 10,000 feet. The 10c per foot includes couplings and all ready for use.

Peerless Refrigerators.

The Peerless Refrigerators are made of oak, antique finish, mineral fibre filling. They are made open to allow a perfect circulation of dry cold air. The construction of the upper horizontal flue is such that it can be opened or closed at any time. This is an important new device not employed in any other refrigerator, and is patented. The space between the outer and inner cases is filled closely with a mineral fibre which is superior for this purpose to anything ever before used. Other makers use saw-dust or charcoal as a filling or leave the space empty. The saw-dust will rot and decay, the charcoal will settle and leave blank spaces here and there. The mineral fibre in the Peerless will never settle or shake out; it is colorless, odorless and indestructible by heat or even fire; vermin or germ cannot exist in it; as a non-conductor of heat it is double that of charcoal and greater than that of any known substance. The Peerless is the only refrigerator using mineral fibre filling, giving you the best refrigerator made in the world for the least money.

HELD HIM UP BY THE EARS.

Frightful Treatment of a Little Boy by an Irate Neighbour.

Dr. Rexford visited police court yesterday to file an information against Jack Shepherd for assault and cruelty to children. The men are neighbors at 445 South Twenty-fifth avenue, and Monday afternoon the young children of each were playing at a hydraut that is jointly used by the occupants of both houses. Both wanted a drink, and in the scuffle the water was turned on the Shepherd child was drenched.

Rexford says that Shepherd senior, witnessed the occurrence through the window, and at once strode out and seized the Rexford child by the ears, lifted it from the ground and shook it severely, after which he carried it a distance of forty feet to where the mother was standing, and threw it on the ground at her feet.

The little sufferer was brought into court and injuries were shown. Both ears were torn away from the head at the top and bottom, and it is feared that the organs are injured internally. The little fellow suffered great pain, and his appearance excited the pity and indignation of all who saw him and heard the story.

How They Cure Rheumatism in Pennsylvania.

Mr. J. F. Meighan, a Pittsburgh cigar dealer, awoke one morning with an attack of rheumatism in his right arm. Working around the store during the forenoon made it worse. By noon the pain was so severe that he could not raise his hand to his head and had to carry his arm in a sling. One of his customers, on learning the facts went across the street to E. E. Heck's drug store, and at his own expense procured a bottle of Chamberlain's Pain Balm and persuaded the cigar dealer to try it. It eased the pain and reduced the swelling so that by the next morning he could use his arm, and by the second morning was entirely well. This is only one of the many severe cases of rheumatism that have been cured by this valuable remedy. Fifty cent bottles for sale by druggists.

Changes of Two Decades.

Mr. Walter Pratt of Blackstone, Mass., is in the city on business connected with settling up an estate in which he is interested. Mr. Pratt was a machinist in the Union Pacific shops twenty-two years ago, and his recollections of the city date back to the time when he saw 300 Indians camped on Capitol hill, eating dried beef and brewing dog soup. His surprise at the growth and development of the city is unbounded.

A Ripe Old Age.

J. H. Holcomb and wife of Belcherville, Texas, have celebrated their fifty-fifth wedding anniversary, and are still hale and hearty. The secret of their long life and good health is that they correct any slight ailment promptly, and in that way avoid serious sickness. Like most every one else, they are more frequently troubled with constipation than any other physical disorder. To correct this they take St. Patrick's Pills in preference to any other, because, as Mr. Holcomb says, "They are a mild pill and, besides, keep the whole system in good order. We prize them very highly." For sale by all druggists.
