AN Invitation

To Our Patrons and Friends:

We take this means of extending to you an invitation to be present at our Grand Fall Opening Tomorrow. We should have invited you by card but were aware of the difficulty of reaching all, and fearful of giving offense, by overlooking any one we, concluded to use the leading daily newspapers as the swiftest and surest means. We sincerely hope that this will come to the notice of every person in Omaha, to whom we are indebted for our success, which has culminated in the erection of the most spacious, if not the most magnificent time payment house in the world. We desire to meet them personally on this auspicious occasion and manifest to them substantially how much we have appreciated their kind patronage, and how we mean to merit a continuance of it.

Very Respectfully,

People's Mammoth Installment House,
1315 and 1317 Farnam Street, Omaha.
